To
W. Waddell Esquire

Sir

I have the honor in reply to your Letter of

of the 2d Instant, to inform you, that the House situated on the Pantheon Road near Anderson's Bridge which you describe as being at Egmore has been put into good tenantable condition and I believe the whole repairs completed. My late Deputy Mr. Cooper went from time to time to see their progress and as far as he has seen the works are satisfactorily done.

It is Mr. Cooper's intention I believe in this week to see the Premises once more, before paying the balance to your Majesty's The Premises have been let to Major Fathergill from the 1st Ultimo at the usual monthly Rent of 105 Rupees.

No estimate has yet been made as to what repairs may be required to Brunton's House, as you were dissatisfied with the Estimate made by the only person I have in my Office, who knows any thing of such matters in regard to the Houses at Egmore and I thought it would be more satisfactory to you to have the repairs of Brunton's House commenced upon by your own man after he had completed the one at Egmore. The former House is still unoccupied and in charge of Watching Peons

From the Satisfactory manner in which your Bricklayer Mistry appears to have performed his work at the Egmore House I should think him the best person to estimate and repair Brunton's House and as I have been applied to for information as to the amount of Funds in the Office under the Sequestrations with the View imagine of having the same paid into Court after deducting expenses, the Sooner you can get the estimate made and approved of by Mr. Rose the better in order that it may be returned in the Office for the purpose of effecting the repairs

repairs required to Brunton's House.

To

Sir

It is represented to me by Soobadramah that You have seized and taken in Execution under a Writ which has issued against one Narrainsawmy Naidoo a House and Ground situate in acharapoen Street in the Black Town.

I am instructed to inform You that that House is the property of my Client who some time ago Mortgaged it to one Ramasawmy Naidoo, but that, some time after it had been so mortgaged the said Narrainsawmy who is my Client's Brother without her knowledge or permission applied to the said Ramasawmy pretending he had my Client's Instructions to redeem the said Mortgage and that accordingly the said Narrainsawmy received the Title Deeds of the said House from the said Ramasawmy and has detained them in his possession and now in Combination with the Plaintiff in the action brought against him has caused the same to be seized by you as his property.

I am therefore instructed to request that You will without delay remove your Seals from the said House and Ground and to inform You that unless You do so proceedings will be adopted against You as may be advised.

Sir

I am instructed on behalf of Rajoo Boy Sole Executrix of the last Will and Testament of one Hurreedut late an Hindoo Inhabitant of Madras deceased of whose Will my Client has obtained Probate out of and under the Seal of the Supreme Court to call upon You for the delivery to her as such Executrix of the following Bonds now remaining in your Office which she claims a right to the possession of under and by virtue of her said Testator's Will.

1 A Persian Bond executed by one Tesoo Saib in favor of Hurreedut dated 3rd Shaban 1256 for Rupees 100.

2 A Ditto Ditto by Cosoo Pillay in favor of Do dated 14th Shaban 1256 for Rupees 200.

3 A Ditto Ditto by Syed Cassim in favor of Ditto dated 10th

10th of Ramazan 1245 for Rupees 25.

4 A Ditto Ditto by Mahomed Omeeruddeen in favor of Ditto dated the 28th Ramazan 1246 for Rupees 50 and

5 A Ditto Ditto executed by Hoosain Ool Hoolk and Ghoolam Mahomed Hooseyn Ally Khan in favor of Chait Ram dated Sept 1240 for Rupees 3,100 which last mentioned Bond was mortgaged to my Clients Testator in his life time and one Thankooroo Dosf since deceased whom he survived.

You will find the circumstances under which the above Documents together with others got into your Office, and under which they were claimed mentioned in certain letters now in existence addressed to your Predecessors under dated the 15th of February 1834 - the 17th of November 1840 and 3d of October 1846. by the last of which letters two other parties claimed the Documents as Representatives of Harredutt. But of Course so long as his Will and the Probate stand his Executrix had a superior claim to all such Property as Harredutt was entitled to in his life time.

Four of the Bonds now claimed are in favor of Harredutt and in the Insolvent Schedule of Chait Ram filed in the Chief Clerks Office of the Insolvent Court on the 6th July 1832 (to the truth of which schedule Chait Ram was sworn on Oath) Harredutt is inserted as a Creditor of his to the extent of 4,100 Rupees as the Principal amount due on the Mortgage of the fifth Bond before mentioned for the Sum of 3000 Rupees executed by Hoosain Ool Hoolk and another under date the 22d of October 1824 and the said last mentioned parties named are also inserted in the said Schedule as Chait Rams Debtors for the Principal amount of the said Bond for 3100 Rupees payable with Interest at 12 per cent

under

Under the foregoing circumstances I am instructed in calling upon You for the delivery of the Documents hereby claimed either to my Client or to myself on her behalf to state that she is willing to Indemnify You by Bond and deposit of securities to such amount and for such period of time as may be deemed reasonable to save You harmless against all such claim or claims if any as may be brought or preferred against You for or in respect of such delivery, or until any action or actions that may be commenced with the time to be limitted in regard thereto shall be fully disposed of and You shall be cleared from all risks or damages or costs on account thereof.

It being represented to me by Bundy Chinna Ummall, that about Eight or nine days ago you seized and took under an Execution issued out of and under the Seal of the Supreme Court against one Chittoo canoo Narrainsawmy Naick at the Suit of one Parekala Bachiem Naick, a certain House ground and premises No. 65 in Vurdah Mootiapen Street at Pooroo Naicks Pettah, which are now in my clients possession and occupation. I am instructed to inform you that the property in question belongs to and is the sole and absolute property of my said Client, and that the said C. Narrainsawmy Naick had no lawful right, of, in, or to the same or any part thereof.

I am further desired to acquaint you that the said Narrainsawmy Naick is my Clients Brother that on my Clients return from the Mauritius about 2 3 months ago she gave her said Brother certain Funds to purchase a House for her that with such funds he purchased the House in question now under seizure and of which my Client has ever since had the possession and also receipts of the rents.

It is further Represented to me that the said Narrainsawmy Naick taking advantage of my Client (his said Sister) being some what advanced in years, fraudulently obtained a Collectors Certificate for the premises in question in his Name & thereafter brought an action in Ejectment against her and her Tenants to recover possession of the said House and Ground in which action the said Narrainsawmy Naick was Nonsuited in consequence of him being unable to prove his Title and now I am informed that the more effectually to defraud my Client of her said property he has caused the present action to be commenced against him by the said Parekala Bachiem Naick with the view to the seizure and sale thereof in such action.

Under the foregoing circumstances therefore I am instructed to call upon you forthwith to remove your seal & peons from and off the said property so seized as aforesaid, and to give you notice that in the event of your not doing so, and proceeding to a sale thereof my Client will look to and hold you personally answerable to her for all such damages losses and Costs as she may thereby sustain and be put to.

Sir, In reply to your notice bearing this date I hereby inform you that I consider the indemnity offered by your client

client the Defendant insufficient inasmuch as if any action is hereafter taken and a verdict in that action given against me the damages would most probably be for the real bona fide value of the articles sold without reference to the amount they might realize at an Execution sale and which would in all probability much exceed the amount of either Mortgage or Execution or even the sum of Rupees 500 which I require as a deposit I further give you notice that I am perfectly ready and willing on being indemnified as I require to advertise and sell the property seized but I considers the comprehensive wording of the Mortgage includes all the articles of the property now in the Plaintiffs House and even were it not so it would be impossible for me now to distinguish the portions which are or are not mortgaged nor could I now make a Second seizure as the Fi. Sir

I have the honor to acknowledge the receipt of your letter of the 4th instant, & to thank You for the information it gives of the House, Santhon Road, and am truly obliged to Mr. Cooper for his kindness and attention in having occasionally called at the Premises while undergoing repairs.

You say the House is let at the usual monthly rent of 105 Rupees, but think you intended to have said the usual monthly rent of 105 Rupees, at least it ought to have been so, as I was in the habit of letting it at 175 Rupees per mensem, as a fair Allowed Major Maclaine to occupy it at Rupees 140—

As such was neither expressed nor intended, I trust my letter to you of 6th August last did not give dissatisfaction to any one, and took the liberty of suggesting to you to give the word to those Head long employed more on account of their being

person on whom I could more confidently rely (or having the repairs substantially executed, than for the difference between the two Estimates.

It is matter of the greatest regret to me that Branton House was not repaired during the time Mr. Cooper was Sheriff as in a conversation I had with him, I apprised him of my willingness to have the Funds in his hands applied for repairs and he promised to have the requisite Estimates repaired or long ago I would have done so myself for the loss caused by the neglected state of the Premises is very great and longly called for reformation in some quarter—Indeed the Tradesmen employ made Estimates in may last, and regret to find that several Articles have since been removed for which I take no doubt You will be good enough to compel the Peons in charge of the Premises to pay.

The Bricklayer & Carpenter will attend at the Premises any time You please to name, and point out the repairs specified in the accompanying Estimates.

I will endeavour to have the estimates furnished by you approved of by the Solicitor concerned and by Deputy Mr. Cowper has offered to inspect the premises with a view to enquire what repairs are requisite to put the House in tenantable Condition but as it will be something out of the usual Course of his duties I conclude You will have no objection to defray his expences of Conveyance there and back.

To

Sir

It is now five months ago since Messrs. Ashton & Co. commenced law proceedings against me, I sent them then the enclosed order at the same time telling them that I would not pay law expences unjustly incurred I contracted the debt in Sept. last part by agreement was to be ready money 250 Rupees which sum I sent on the 29th of that month, but which sum they never passed to my credit altho on the following Day I was at the Shop & myself told them the Rs. 250 was the ready money agreed upon & to place it to my account they neglected to do so leaving it in favor of my son who then had a running account with them, he has since assured them of their error & tendered them the full amount of their claim on him which in order to set the law expences they refused. I am ready to declare on oath that 305 Rupees is the full amount of my Debt to them & that sum has laid in the hands of Messrs. Bainbridge ever since I drew my Pension last July. Is it Just that I should pay law expences for their own neglect & careless mess?.—

If you will kindly intimate to me if it is necessary I will forward to you all the letters & Copies from myself & son which have passed on the business tho they are only repetitions of this Statement.

Hurredutt. But of Course so long as his Will and the Probate stand, his Executrese has a superior claim to all such Property as Hurredutt was entitled to in his life time.—

Four of the Bonds now claimed are in favor of my clients Testator and in the Schedule filed by one Chait Ram in the Insolvent Court on 6th July 1837 to the truth of which schedule Chait Ram was sworn on Oath Hurredutt is stated to be a Creditor of his to the extent of 1100 Rupees as the Principal amount due on the mortgage of the fifth Bond before mentioned for the Sum of 3100 Rupees executed by Hoofsain Dol Hoolk and another under date 22d of October 1824 and the said last mentioned parties names are also inserted in the said schedule as Chait Rams Debtors for the Principal amount of the said Bond for 3100 Rupees payable with interest at 12 per Cent.—

And I have to inform you that in the event of your neglecting or refusing to deliver up the 5 several Bonds in question an action of Trover will be forthwith Commenced against you in the Supreme Court to compel you to do so without further notice. I shall Remain

In reply to your notice of the 7th Instant on behalf of Rajoo Boy whom you state to be the sole Executrese of the last Will and Testament of Hurredutt deceased requiring me to deliver up to the said Rajoo Boy as the party properly entitled thereto certain Documents which you allege now remain in my Office having been taken by a former Sheriff under seizure a length of time ago I hereby inform you that from the quantity of Papers which have accumulated in my Office during such length of time and which Consequently renders any search I may wish to make tedious and troublesome in the extreme I am not at present prepared to say whether or not such Documents as you have enumerated in your said notice really are or are not in existence I beg further to state that applications have at various times been made to my predecessors by different parties all of whom claim to be properly and legally entitled thereto under interests opposed to your Clients and in the face of one of them it is alleged that the Claim of your Clients testor is fictitious & as such not to be attended to If such Papers as you allege to be in my Office are really in exestence which for the reasons I have before given and in consequence of such cautions as aforesaid I would not feel Justified in delivering them to your Client or any of the other Claimants without having an order of Court authorizing one so to do or without such Claimants having other rights legally ascertained I further give you notice that If such Documents are in my Office I will Consider myself as Sheriff in the light of a trustee for the Parties property entitled until such adjudication of their Claims or will under proper authority bring in and deposit the same in Court

My dear Mr. Kennie

In March 1846 an action was brought agt. you & some Natives and you took from Surdar Sang Babasee Sheriff by one Audenarrain some title deeds by way of security, which you still hold. The Plaintiff in the action is Sam Tola, a fictitious person & since our pleas he has taken no proceedings and understand that you refuse to give up the title deeds until it is disposed of. I therefore send you a Warrant of Attorney for signature, as Rowlandson is not your Attorney and upon his death it is necessary to have another. We shall look to Surdar Sang for costs & not to you. before you sign the Warrant of Attorney fill up the blanks left for your residence and for the date.—

To The Acting Magistrate

North Arcot

Sir

I have the honor to acquaint You that under and by virtue of a Certain Order of the Supreme Court dated 2d February 1848 (Copy of which I herein enclose for your information) I have granted my Special Deputation or Warrant to John Fielding and Seeramah Naick two of my Officers to execute the Writ of Fieri Facias in the Order Specified within the Zillah of Chittoor but that by some means or other the Defendant became aware of the arrival of my Bailiffs and came to meet them with such a number of partie and friends as to prevent any seizure being made and they have further reported to me that they were assaulted and otherwise maltreated & alternately put in the Tannah.—

I have therefore the honor to request you will be good enough to afford your assistance to my Officers in the discharge of the duty and direct your Peons to apprehend any parties guilty of a breach of the Peace & if the Defendant Considers himself aggrieved he has the remedy of an action at Law against the Plaintiff or me but it is certainly incorrect to suffer ignorant parties to take the Law into their own hands in the manner the Defendant seem to have done.—

I have directed my Bailiffs to call and inform you of the precise time they purport endeavouring to effect the Seizure.—

I am instructed by my Client the Plaintiff above named to acknowledge the Receipt of your Letter to me of the 31st Ultimo, annexing Copy of a Notice received by you from Mr. J. T. Crampton on behalf of Syed and Peteka and to inform you in reply thereto that my Client positively denies it to be true as does Cawder Saib who is named in the said Notice that the said Cawder Saib had mortgaged the House and Ground therein mentioned to the said Syed and Peteka to secure the payment of Rupees 112½ or any other sum whatever alleged to have been borrowed of them the fact being that the said Cawder Saib about 12 years ago mortgaged the said House and Ground to the Defendant above named for securing the payment of Rupees 105 and that the Defendant in lieu of Interest on such loan, is in the receipt of the Rents of a portion of the said premises from the said Syed and Peteka who occupy such portion as the Tenants of the said Defendant and that the other portion of the said premises is in the occupation of the said Cawder Saib and his Tenants.

I am also instructed by my Client to acknowledge the receipt of your letter of the 31st Ultimo annexing Copy of a Notice received by You from Mr. J. T. Crampton on behalf of Emaum Cadib and to acquaint You in reply thereto that the House and Ground therein mentioned are the exclusive and bonafide property of the Defendant and that he in anticipation of the present action being instituted against him and pending the investigation thereof by one and the Counsel for Paupers has fraudulently transferred and assigned over the last mentioned premises to his Wife one Abbeebaugh Tillay Emmall who is named in the said Notice last adverted to and that the said Defendant in or about the month of August 1847 applied to the Collector of Madras for and obtained a Certificate of the said premises in the name of his said wife and that the short Sage of the said last mentioned premises by the said Abbeebaugh Tillay Emmall to the said Emaum Cadib was set up by the last mentioned Notice is altogether a pretended transaction the same having been lately fabricated and set up by the said Defendant in order to evade my Client's said Execution and the sale of the said premises thereunder.

Under the foregoing circumstances therefore I am instructed by my Client to request You will forthwith proceed to sell all the right, Title and Interest of the Defendant herein in the said last mentioned premises and to give you Notice that in the event of your removing your seals therefrom and not proceeding to such sale as above required, You will do so at the peril of an action against you at the Plaintiff's suit should he be able to satisfy the Counsel for paupers that he has good Cause of action against You for a false return or otherwise.

The Plaintiff in this Case has proved in the Insolvent Court and all proove whenever required that the Defendant had an Mortgage interest in the premises in question. If you have seized in the way in which perhaps premises not in the actual occupation of the Deft ought to be seized namely. not by intending into the House or building at all. but by putting on a seal of that Ceremony be as. perhaps it is considered by persons who have had long practice in the Office of the Sheriff of Madras on some outer part so as to prevent the possibility of proof of any trespass on any part of the building. the Sheriff might in every case clear of actions for trespass and amend the form of the Office of letters to the opposite attorney on receipt of Notices. If you have adopted this mode of seizure in this case of perhaps you will Consider indemnity hereby necessary. but if there is any difficulty my Client will indemnify you and you will have the goodness to proceed to sell all the right Title and Interest of the Defendant

In reply to your Communication of date 14th Instant directed to my address requiring me to deliver up to you as administrator of the late Mr H. Paulin against one Anandapah Moodelly. I have the honor to inform You that I have not been able to discover from the records of my Office or otherwise than from your said Notice that the said Documents were deposited in my Office by the Plaintiff in said action at Law— and if on further investigation it should appear that the same were the property of the Defendant in that action and as such were seized by the then Sheriff I would not be justified in parting with the same. If your Statement that the Documents were deposited in my Office be correct I will have no objection to hand them over to you on production the Sheriff's receipt therefore which is doubtless in your possession and of the letters of Admi-nistration to Paulin deceased and if on the other hand they are the property of the Defendant it may be a matter for your Consideration how far the same may or may not be made applicable to satisfy a Writ of Fi Fa in case you should think fit to issue one.—
