Sir

With reference to the Petition recently presented to their Lordships the Judges of the Supreme Court of Madras I beg to submit the following remarks which I have the honor to request you will lay before their Lordships.

The instances of excess in the Sheriff's fees cited as Nos. 1 and 3 in the Petition appear to be founded on the fallacy of supposing that the amount of fees must uniformly and necessarily depend not upon the degree of trouble imposed on the Sheriff but solely on the amount of the sums levied. If the mode of reasoning and calculation used by the Petitioners be adopted and (the sum of 695 Rs the expence of the Watching Peons mentioned by the Petitioners as existing but not brought to account be added to the Bill No 1) and the amounts levied be exchanged it would be made to appear that an enormous disproportion (which does not really exist) existed between the old and new Table of Fees the ratio per cent on the amount levied or the proportion the Sheriff's Bill of fees bears to the proceeds of the levy depending solely on the fortuitous circumstance of the sum being a large or a small one appended are two Bills A and B in which the amounts levied in the Nos. 1 and 2 of the Petition are exchanged and from which the above abundantly appear.

In Instance No. 2 in the Petition the fallacy consists in overlooking the fact of their being eight lots in one case and only three in the other and if we suppose the same number of lots (3) as in the Bill No. 2 to have been seized in Bill No 1 the average per lot under the old scale of fees will exceed that under the new scale as shewn by appendix C. a Bill in which the necessary charges is made and calculated.

Instance No. 4 has been I presume selected from the whole mass of Sheriff's fees since the institution of the Supreme Court at least from the circumstance of the Bill having been incurred in 1833. It would appear that it is a solitary instance in which a large number of lots have been seized and retained for more than half a year and doubtless if any such case of excessive fees had really occurred in practice since the introduction of the new Table it would have been cited and commented upon by the Petitioners.

If the suppositious case put by the Petitioners

of

(1)

of the Sheriff seizing eight lots and retaining them for a period exceeding half a year, were to happen the fees certainly would be very large, and to meet the suppositious mischief I would propose that after the first months retention of a lot, the Sheriff should only receive half his fee, as this would be analogous to the rule by which only 2½ per cent instead of 5 is allowed on all sums levied after the first Rs 1,000

D is the Bill No 2 of the Petition Calculated according to the old scale from which it would appear that the Sheriffs fees have already been considerably curtailed by the amended scale and it may be remarked that No 2 of the Petition is a Bill selected by the Petitioners as illustrating most forcibly their position that a grievance had been inflicted on them by the reform, and therefore is not one of the ordinary run of cases which are the only fair criterions on the subject.

It was established to the satisfaction of the Court that Cundapah had wrested his property and on that express ground his Petition was dismissed Yet when the Execution creditor issued his Fi Fa he is met by these unfortunate delays in the Sheriff's Office. I will thank You to let me know whether it is your intention to sell or not. if you do not intend to sell I protest against your charging my Client for remaining in possession.

Sir

I am instructed by the Plaintiff to give you notice, whereby do, that he holds you personally responsible for all damages which he has already sustained, or which he may hereafter sustain reason of the improper terms in which you have advertized the sale of Defendants right title interest and estate in the Garden and Bungalow in Egmore seized by you herein.

The Plaintiff conceives, and is advised, that the advertisement as sent by you to and which appeared in the Fort St. George Gazette of yesterday is unquestionably calculated to throw suspicion on the title of the Defendant, to the house and Garden advertized for sale, even had the Plaintiff not indemnified you, he would have objected to the advertisement as it has appeared, but having given you ample indemnity, he has a right to hold

to be a breach of duty on your part, & for all losses he may be subjected to thereby.

What the Sheriff undertakes to sell, is not the house itself, but all the Defendants right title and interest in it. It is for the purchaser to satisfy himself what right title and interest of the Defendant, he purchases at the Sheriffs sale, and it is not for the Sheriff to throw doubt, in a Public advertisement on such title and interest of the Defendant which he himself is employed to sell.

The Sheriff should satisfy himself whether the defendant has or has not a seizable and saleable interest. If he have not, he should refuse to proceed to a sale if he have then he should advertize & sell it in suitable terms, calculated to effect a sale and not to prejudice and prevent it by the tenor of his own advertisement.

The Sheriff should elect what to do, and what he does, he should do well and not in this half and half and injurious manner.

I am further instructed to give you notice that should this execution not be satisfied by the intended sale, the Plaintiff will look to you for the satisfaction thereof

I am instructed by the Complainant to bring to your notice that he was in a situation on Saturday last to have the attachment executed but that the Bailiff had a crotchet in his head that tho' he got admission into the Defendant's premises, thro the outer gate, yet he insisted that if the Defendant shut himself up in the Dwelling house he (the Bailiff) would not break through the Hall Door of each house to Execute the Writ.

As these erroneous notions of the Bailiff will prevent the Execution of the attachment and may place You in an awkward predicament should the Complainant insist upon his rights, I am instructed by him to bring this to your notice in time, so that all unpleasantness may be avoided, and the Bailiff be rightly instructed as to the due execution of the attachment. for there are now frequent visitors to the Defendant's House, who are let in and out, through the outer gate and the Writ can therefore without difficulty be Executed.

My Dear Mr Ritchie

In this case certain property was sold and money received into the Sheriff's office more than 6 months ago, the Sheriff was indemnified more than 6 months having elapsed & applied to Mr Cower for the money when some person gave notice that he intended taking proceedings I have been asked

asked Mr Cowen to Consider the matter and pay over the purchase money because it could never be seriously urged that because a person gives Notice of an intention to take property therefore the money is to be held up for ever. But Mr Cowen tells me that the funds are in his hands and every thing depends upon the determination you may come to. Will you kindly look into the Bond of Indemnity and see if it provides that the Sheriff is to hold the money for ever or to be paid over to Client and oblige

1 A Persian Bond executed by one Tipporo Saib in favor of the said Hurreedutt dated Zeecaidor 1246 for Rupees 100.

2 A Do Do by Coopsoo Pillay in favor of Hurreedutt dated 4th Shaban 1246 for Rupees 200

You will find the Circumstances under which the above Documents together with others got into your

Four of the Bonds now claimed are in favor of my clients Testator and in the Schedule filed by one Chait Ram in the Insolvent Court on 6th July 1832 (to the truth of which Schedule Chait Ram was sworn on Oath) Hurredutt is stated to be a Creditor of his to the extent of 1100 Rupees as the Principal amount due on the Mortgage of the fifth Bond before mentioned for the sum of 3100 Rupees Executed by Hossain Cole Mooleh and another under date 22d of October 1824 and the said last mentioned parties named are also inserted in the said Schedule as Chait Rams Debtors for the principal amounts of the said Bond for 3100 Rupees payable with interest at 12 per Cent.—

Sir
In returning the accompanying Bill I beg to submit for your consideration

consideration the following observations on certain of the Charges made therein

1st The 2d Item of Rs 12 does not appear to be authorized by the Table of Fees

1st Because the Copies to be Charged by the Sheriff under item 22 of the Table of fees are copies be spoken by the party to be Charged, not such as the Sheriff may make of his own will.

2d That no more than one advertisement is chargeable for that order sent to a paper - and a second paper which repeats it does or may do so from a Note or Memorandum from the Sheriff's Office

3d If more than one advertisement be necessary, then the Sheriff should charge Rs 2 - 8 as for each advertisement, and he cannot be allowed to charge more for the Copy than for the original

2d The next objection is to the Copies of letters furnished to me

1st These Copies to be charged against a party must be applied for

2d and the originals should be shewn to Plaintiff's Attorney and if meterial may be speak copies to make enquiries or communicate with his client thereon

3d Preparing letters to Messrs Cooper and Wilkins Rs 2 as 8.

The Sheriff is not authorized to charge for letters except when he forwards process, on being required

4th Bricklayer Maistry - Rs 9

1st Not authorized by the Table of Fees

2d Not necessary especially in the Case of the two Houses -

3d I think not charged in the last execution I had, in Mr Sheriff Bury's time -

Should you be of opinion that my not objecting to the copies when furnished was an assent, tantamount to bespeaking them I withdraw the objection, to the charge made in the present instance on that ground alone -

The Copies of advertisements I leave to your consideration and decision

The Charges for the letters and Bricklayer Maistry I submit ought not to be made from a spirit of Cavilling but, lest my silence should be construed by the Court (should the question ever come before it) into a neglect of Clients interests, especially as these items are not taxed, and an additional responsibility therefore rests upon the Sheriff

I make these objections

Sir,

In reply to your letter of the 8th Instant, containing certain objections to the Sheriff's Bill of Charges under the Writ of Execution herein, I beg to state that I consider some of them tenable and others not - The present Bill against you was made out in accordance with the Charges made by the late Sheriffs respectively, as I am told, since the existence of the present Table of Fees and to which I understand no objections were taken by the Gentlemen of the profession - The only items in the Bill which I consider objectionable are the Charges for preparing letters and for batta to the Bricklayer Maistry these I have directed to be deducted from the Bill - In respect to the other charges to which you object - I beg to state that I consider I am fully borne out by the Table of Fees and the practice of the office in making them and you are therefore at liberty to have the Bill as now amended, assessed by the Master, if you think it necessary to do so.

Sir, I understand you decline putting the writ of Fi. Fa. herein in force without indemnity. I would bring to your Notice that in our action last term between Manavaloo Naidoo and the Deft upon an issue of not possessed the finding of the Court was in favor of Rungamall on the ground that the Court believed the house to be hers as representing her late husband. These premises therefore are clearly liable to be taken in execution herein and the bearer attends to point the same out to you. And

I

I submit to you that if you do not seize the House you will expose personally to an action which will probably be instituted.

To The Sheriff of Madras

Sir,

I am instructed by Vijsanka Rungamah the Widow sole heir and administratrix of Vijsanka Narrainsawmy Naidoo deceased, and the Defendant in the above action, to give you notice that she has mortgaged to me as a security for costs due by her to me the House and premises Number Thirty Seven in Cundasspah Chetty Street consisting of four yards or divisions situate between Cundasspah Chetty Street and Chinnatomby Street, which house and premises my Client informs me you have this day seized under a Fi Fa issued in the above suit. I am further instructed by my Client to state for your information and guidance that my Client do far from wishing in any way to interfere with the Plaintiffs right to seize and sell so much of the Estate of the deceased Vijsanka Narrainsawmy Naidoo as will satisfy his demand and costs, is anxious that the Plaintiffs claim should be satisfied, and suggests that the personal property of her deceased husband should be sold in the first instance, of which there is more than sufficient to satisfy this demand now in the House under seizure, and would particularly

particularly call your attention to the property in the room pointed out by my Client to the Deputy Sheriff at the time the seizure was made. Should you in taking an inventory of this property be satisfied there is sufficient in that room to cover this debt and costs, I have to request that you will remove the same to your Office and withdraw your Seals and Peons from my Client's House.
