No. 380

To The Deputy Sheriff of Madras

1 I have to acknowledge the receipt of your communication dated the 29th Ultimo in which you are pleased to call my attention to Para 2 Clause first of Act 23 of 1840.

2 Not having addressed the Deputy Sheriff, I infer that he has by some means or other, been sent to your Office, as you have now returned it to this Court.

3 Such a proceeding, however, was contrary to my express request that it might be sent to me and any informality which under such circumstances may have occurred is attributable only to the Sheriff. On this point, however, I am in doubt for in your very brief communication under reply, I have not been favored with an explanation of the nature of the objections you have to give effect to the Notice.

4 Presuming it to be that you have not been addressed in your official Capacity I now transmit with

with this the necessary Communication.

To The Chief Secretary
to Government

Sir,

With reference to Act No 23 of the Legislative Council of 1840 I have the honor to acquaint you, that a number of Process have lately been received at this Office from several of the Mofussil Courts for execution within the limits of the Supreme Court, and as no provision has been made for the unavoidable expence which attends the serving of Writs, warrants and other process, I have to solicit the instructions of the Right Honorable the Governor in Council as to the Source from whence such expense is to be defrayed.

As the Act above referred to will impose heavy additional duties on this Office, to which the present establishment is inadiquate, I beg that I may be authorized to entertain such additional Servants as may be absolutely necessary for the due execution of the duties required.

As great responsibility is thrown on the Sheriff by this Act. I have to solicit the Consideration of

of Government as to the remuneration which should be awarded to that Officer for the new, and some Cases highly responsible, duties he may be called upon to perform.

As it will be necessary for the Sheriff occasionally to Correspond with the Judges in the Mofussil Courts I have to request that that Officer, and his Deputy may be authorized to frank Communications on the Service to which the Act has reference.

To The Sheriff of

Sir

I beg to acknowledge the receipt of your letter dated the 7th Instant in which referring to mine "of the 2d Instant" you return its enclosure "as the translation requires to be made out on a separate sheet of paper:—

Some mistake must have occurred as the records of my Office do not show, any letter to have been dispatched to your address on the 2d Instant. I certainly wrote to you on the 12th Ultimo transmitting the enclosure which has been forwarded in your communication under reply, but you were pleased to inform me that it could not be served as you had received no Orders from the Judges of the Supreme Court. You did not, however, return to me the Notice I had sent you and the next I heard of it was from the Deputy Sheriff who on sending it back to this Court took upon himself, although I had never addressed him, to "call my attention" to a fancied irregularity on my part which he was not even at the pains to favor me by explaining.

Anxious, however to have the notice served, I did what I considered needful & sent it to his Office on the 2d Instant. You now reply, apparently, to a letter of that date to that Officer's address and seem disposed to do what formerly you refused to perform, although under the new Sudr Udalut Circular order № 77, I have no authority to address any other Official than the Deputy Sheriff:—

Regretting the very trivial causes which have been assigned as reasons for delaying a matter of much importance to the parties who have resorted to the Court I superintend I nevertheless avail myself of the readings you exhibit and again transmit the notice in question trusting that it will be found sufficiently Legal in form and regular to justify its issue from the

the Sheriff's Office without further demur.—

Fort Saint George

My Lord.

We have the honor to acknowledge the receipt of your Lordship's letter of the 11th instant accompanied by an Extract from the Proceedings of the Sudr Sedalut, and suggesting the inconvenience likely to accrue by any further delay in carrying into effect the act No XXIII of 1843.

With reference to our wish expressed in our last letter that the same Course should be pursued at this Presidency as in Bengal, we beg to inform your Lordship that the delay upon our part has entirely arisen from our not having been able to obtain from Calcutta the detail of the proceedings by which the Act in question is to be carried into operation in virtue of the communications between the Government and the Judges at Calcutta. The following however is the outline as contained in a letter from Chief Justice Ryan to the Chief Justice of Madras.-

1 ... The Mofussil warrants &c are all to be sent by the Mofussil Authorities to the Deputy Sheriff by Post generally under cover to him and he is to bring them to the Judge's Clerk or Judge to be backed, and the whole of the trouble of receiving, registering, executing and returning warrants is to be undertaken by the Sheriff for which he is to receive a fixed Salary of Rupees 200. per Mensem for the present to be increased if necessary.

2 ... The Sheriff is to keep Books for the purpose of registering writs &c books of Account of Sums remitted to tender Expenses of witnesses of Sums levied and remitted &c of money received in lieu of bail account of post-ages &c.

3 ... The Sheriff is to enquire into the sufficiency of bail &c when taken, and report on the same to the

29

Judges of the Supreme Court under the 7th Section of the Act.-

This course of proceeding having been agreed upon between the Government and Supreme Court at Calcutta the former have undertaken to instruct the Mofussil authorities accordingly. The instructions and forms of proceeding are about to be printed, and we have been in the hope of receiving copies of these, agreeably to the promise of Chief Justice Ryan.-

Should your Lordship in Council think fit to adopt a similar course to be adopted in the Madras Presidency, we think the Mofussil authorities may be at once directed to proceed to the Execution of Precepts upon the plan suggested, subject to future alterations and modifications. The subject of remuneration to the different officers employed in the execution of precepts will require consideration, and your Lordship will observe that in Calcutta the Government have agreed to allow the Sheriff a monthly salary. As the System of remunerating the Officers of the Supreme Court by salary has not been introduced into this Presidency, it will be necessary to fix some rate of fees for getting the Precepts backed, and also a fee to the Registrar of the Supreme Court for filing the writs and returns in his Office. Some other points of detail may suggest themselves hereafter when the act has come into full operation; for the present we would recommend that the fees to be taken by the Officers should stand upon the footing of the fees now payable in respect of proceedings within the Jurisdiction of the Supreme Court.

Honorable Sirs,

Para 1. We have the honor to acknowledge the receipt of your letter of the 16th March 1841 and to transmit in reply a Copy of the Correspondence which has passed with the Judges of the Sudr Udalut on the Subject of giving effect to the provisions of Act № XXIII of 1840.—

Copies Proceedings Sudr Udalut 5 April 1841 № 35 & order thereon.—
From the Register of the Sudr Udalut 30 April 1841 № 44.—

2 We are of opinion that the course of proceeding established in Bengal as explained in your letter under acknowledgement and referred to by the Judges of the Sudr Udalut in Para 1 of their proceeding of the 5th Instant, should be adopted under this Presidency and should you consider it unobjectionable, we would also propose that the Bengal Rules of remuneration should be applied and that a Salary of Rupees 300 per mensem should be allowed to the Sheriff upon Condition of his satisfying the fees payable to the Officers of the Court. If this proposition is concurred in, we shall be prepared to address the Government of India, on the subject on being favored with your reply.—

Extract from the Proceedings of the Sudr Udalut under date the 5th April 1841.

Read Extract from the Minutes of Consultation under date the 23d Ultimo communicating for the consideration and report of the Court of Sudr Udalut, Copy of a letter from the Honorable the Judges of Her Majesty's Supreme Court of Judicature at Madras, suggesting measures for giving effect to the Legislature Enactment № XXIII of 1840.—

1 In lieu of the System of remunerating the different officers of the Supreme Court to be employed in the execution of process by fees (at the rate now payable in respect of Proceedings within the Jurisdiction of the Supreme Court) the Judges would suggest that the same course be pursued at this Presidency, as has been established in Bengal, viz. that the whole trouble of receiving, registering, executing and returning Warrants &c. be undertaken by the Sheriff, who, as in Bengal, should keep Books for the purpose of Registering Writs &c. books of account of Sums remitted to tender expences of witnesses, of Sums levied and remitted &c. of money received in lieu of bail, accounts of Postage &c.

2. To this trouble it would appear expedient that the Sheriff should be remunerated, as in Bengal, by a fixed Salary, and inasmuch as the additional trouble that will be entailed on the Sheriff of Madras by the operation of Act № XXIII of 1840 within this Presidency will certainly not exceed [probably fall far short of] the trouble imposed upon the Sheriff of Calcutta by the operation of the same enactment within that Presidency, the Court of Sudr Udalut do not see why the Sheriff of Madras should be remunerated on a scale higher than has been sanctioned in Bengal.—

3 Under the former System the parties at whose instance process was issued were put to no additional expence by reason of its execution against persons residing within the limits of the Presidency, and accordingly it is very desirable that no addition should be made

to the expences of litigation borne by Suitors.

Ordered that the Extract from these Proceedings be forwarded to the Chief Secretary to Government for the purpose of being laid before the Right Honorable the Governor in Council.

In reference to the letter of the Sheriff of Madras under date 13th October 1841, enclosing a Copy of a letter from Lieutenant Hunter, refusing to attend to the Summons of this Court, requiring him to appear as Prosecutor in Criminal Case No. 153 on the file of this Court— I have the honor to notice that Circular Order of the Foujdary Udalut dated 23rd October 1828 states, "Section XIII Regulation IX of 1816 requires that when there is sufficient reason for the Prosecutor's not attending in person, his written plaint shall be presented by an authorized agent and there is no mode of authorizing a representative of any kind recognized by the Regulation but by a Vakalutnamah or Mooktear Namah"

2d In the present Case Lt. Hunter has neither

Assigned

assigned any reason for disobeying the several requests to attend before this Court, nor has he deputed an authorized agent—

3d The Charge against the 1st Prisoner is stealing the Prosecutor's (Lieutenant Hunter's) property, which was committed to his Charge by Lieutenant Hunter, the said Prisoner being his Maty; and altho' the property was not recovered, it was considered by the Court necessary in reference to the above circumstances that Lieutenant Hunter ought to appear as Prosecutor and Should he refuse to Prosecute, his presence would be equally necessary as a witness in the opinion of the Assistant Criminal Judge—

4th Lieutenant Hunter also remarks that he objects to appear before the Court until he is informed under what circumstances his attendance is required—The Assistant Criminal Judge is not aware that it is the duty of the Court when Summoning a witness to enter into any particular explanation of the Circumstances of the Case that a witness may be required

5th The Assistant Criminal Judge has the honor to request in reference to what has been submitted, the instructions of the Criminal Judge on the Subject—

Madras. October 29th 1841

To The Right Honorable
Lord Elphinstone
Governor in Council
&c &c &c
Fort Saint George

My Lord,

We have the honor to acknowledge the receipt of your Lordship's letter of the 25th Instant relative to the Mofussil Process, and requesting to know if the prescribed indorsements on the warrants &c cannot be obtained on presentation by the Sheriff without the intervention of the Judge's Clerk-

The Mofussil process being by the late act assimilated to the Process issuing from the Supreme Court and requiring a Judge's signature which signature is invariably obtained thro' the intervention of the Judge's Clerk, we certainly conceived that in Courtesy the same Course ought to be adopted in respect of the Mofussil process; more particularly as, on reference to the Act, we are quite unable to discover any "illegality" in such a course. Whether it is illegal to subject the suitors in the Mofussil to the payment of the Clerk's fees, or to any other Charge on account of the Execution of the Process, is a question on which we do not presume to give an opinion-

We have no wish that those Suitors should be burthened by any additional fees payable to our Clerks, nor do we feel disposed to ask that the latter should in any other way be remunerated for the discharge of this part of their duties. We therefore prefer the remaining alternative, that of dispensing altogether with

with their services in the case of Mofussil Proces. and shall be ready to affix our Signatures to the Documents on their being presented to us by the Sheriff or his Deputy.

In this case however it will be proper, as your Lordship will perceive, that the necessary Indorsements and directions, which are now written by our Clerks, should be prepared in the Sheriff's Office, and that the business of a Clerk should not be performed by the Judges themselves.—

We have the Honor to be
My Lord
Your Lordship's most Obedient Servts.

Resolved that the foregoing Letter be communicated to the Judges of the Sudr Udalut in reference to the Extract from the Minutes of Consultation in this Department dated 25th Ultimo No 798, and also to the Sheriff, who will thereby be informed that the duty of preparing Mofussil process for the Endorsement of the Honorable the Judges of the Supreme Court under Act XXIII of 1840 will hereafter devolve on him instead of the Judges' Clerks.—

to Government

Sir,

1st With reference to the resolution of Government dated the 19th Ultimo No. 823 I have the honor most respectfully to submit to the Right Honorable the Governor in Council that the duty hereafter directed to be performed by the Sheriff instead of the Judges Clerks "of preparing Mofussil Process for the Endorsement of the Honorable the Judges of the Supreme Court" would appear to be at variance to the 2d Para of the first Clause of the act referred to, quoted in the Margin, and that the preparation of Process in this Office would involve the anomaly of the Sheriff directing what he himself is to execute.

2d From the 6th Clause of the act it would appear, that all Writs, Warrants &c Should be forwarded direct to the Judges of the Supreme Court by the authorities by whom they are issued, and not through the Sheriff

3d The monthly average rate of Fees paid to the Judges' Clerks under this act Amounts to Rupees 85 which gives an average per Annum of Rupees 1020 so that should papers from the Mofussil Courts be prepared and presented for the instructions and signature of the Judges of the Supreme Court through the same Channel that

It is hereby enacted that any Writ, Warrant, or other Process issued by any Court, Judge or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras, and Bombay respectively, may be executed within those limits in manner following. A Copy of such Writ, Warrant or other Process authenticated as such by the attestation of the Court, Judge or Magistrate signing or issuing the same accompanied by a certified translation in English Language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff or by any Justice of the Peace according to the nature of such writ, Warrant or other Process.

that all other writs proceed (the Judges Clerks) the expense by whomsoever incurred would be but trifling—

To

The Chief Secretary

to Government

Sir,

1. I have the honor to acknowledge the receipt of an Extract from the Minutes of Consultation of 23rd November last, No. 153 A, referring again for my opinion the question of the Amenability of Captain Reece to the Zillah Court of Chittoor for a debt under 400 Rupees under the circumstances Newly Stated for the Consideration of Government.

2. I am of Opinion that neither under the recent act of 3rd and 4th Victoria Cap: 37 any more than under the late Act of 4th Geo: 4th Cap: 81) Now Repealed by the first mentioned Act,) is Captain Reece Exempt from the jurisdiction of the local Civil Court at Chittoor in the Case in question.

3. The Act of 3rd and 4th Victoria Cap: 37 has not been quoted by Captain Reece in his letter of 25th September last so fully, as it appears to me is requisite for a just understanding of its purview. Taking the whole Section 54th together it seems to me obviously to limit the exclusive Jurisdiction of Military Courts of Requests to "such "places where the Company's forces are employed," and at which "the Commanding Officer of any Station" or Cantonment "Can Convene such Military Court. It appears to me that the Act never Contemplated authorizing the Convening such Court at any place where an Officer was on duty, by the Commanding Officer of any Station or Cantonment whatever throughout the whole Residency

The

The Court to be Convened must be, I Conceive that which the Commanding Officer of the Station or Cantonment where the "force is employed "Convenes". If therefore an Officer happens to be employed at some place which is not properly a Station or Cantonment nor where there is any Commanding Officer who can Convene such a Military Court, he is not in my opinion within the purview - excempting him from the Jurisdiction of the Civil Court of that District for a debt under 400 Rupees.

4. This is in effect only repeating more at large my former opinion. For the question is not that which Captain Reece raises but whether a Suit for a debt under 400 Rupees can be maintained in a Civil Court against an Officer of the Company's army who is not employed or resident at a Military Station or Cantonment, or other post where there is a Commanding Officer and other Officers Competent to Convene and from that Military Court of Requests which the act prescribes.

5. It is, of Course, for the Court in which the Suit is proceeding to decide (subject to appeal to Superior Courts) whether it has jurisdiction, and not for a Defendant as (Captain Reece seems to assert) to permit, or otherwise, the exercise of such Jurisdiction - and altho' any Opinion of mine on the Subject is of no authority as is suggested by the Register, who is the Judge in the first instance of the Suit, yet it is competent to him and to the Courts above to inform themselves thro' such Opinions, and be guided or not by them, according to the Consideration they deem such opinions entitled to. It seems plain that the 1st Judge of the Provincial Court did not comprehend the Opinion I have previously had the honor to submit, and he apparently did not perceive that "the act in question", therein alluded to, was the act of 4th Geo: 4th Cap: 81 but supposed it to be some act of the Supreme Government.

I have the honor &c.

Read the following (No. 8B.)

Extract from the Proceedings of the Sudr Udalut under date the 10th January 1842.

Read order of Government dated the 30th ultimo No 968 referring for the consideration and report of the Sudr Udalut a letter from the Sheriff of Madras, suggesting that the mode of preparing Mofussil Process for the endorsement of the Judges of the Supreme Court, directed to be observed in the resolution of Government of the 19th November 1841 No 1083, is at Variance with Clause 1 of Act XXIII of 1840.

1

The Court of Sudr Udalut do not see any thing in the Sheriffs preparing process for the Signature of a Judge of Her Majestys Supreme Court, at all at Variance with Act XXIII of 1840. Para 2nd Clause 1 of that Act directs only that a Copy of the proofs "Shall be presented" to Her Majesty's Judge; leaving the mode of Channel of presentation undefined. The Supposed Anomaly of the Sheriff directing what he himself is to execute, is not involved, the Sheriff does not direct the Judge who signs the process does so.

2.

The Arrangement was suggested by Her Majestys Judges themselves, and it cannot be supposed, under

under this circumstance, that it is inconsistent with the Act, or objectionable in principle.

Ordered, that Extract from these Proceedings be forwarded to the Chief Secretary to Government for the purpose of being laid before the Right Honorable the Governor in Council.

Sir,

With regard to the Proclamation (in O.S. No. 142 of 1841) and translation thereof, received with your Letter of the 3d Instant and which are herewith returned, I have the honor to inform you, that Sir Edward Gambier the Officiating Chief Justice, has refused to endorse the Same in asmuch as it appears on the face of the Process that the Defendants have, for the last 10 years, resided at Madras and there is nothing to Shew how or why they should be subject to the Jurisdiction of the Court from which the Process has issued.

Had the Process been otherwise regular, it would have been necessary to return it in order to have a Duplicate Original of the Proclamation under the Seal of the Court to affix as required by your Letter, as the Judge of the Supreme Court can only sign his allowance on an original which must be returned to the Mofussil Court. This is the Course pursued in the Zillah Court of Chingleput from which the greater majority of Mofussil Process Comes to this Office, and also in the other Courts from which process has hitherto been received, and I therefore request you will be good enough to order the Same course to be adopted in your Court for the future.

I would also mention that as the Judges of the Supreme Court sit only once a week (on Fridays) during vacation it is advisable that a somewhat longer time should be given for the Execution and return of Writs from the Mofussil Courts than has been given in the present instance.

To

The Right Honorable

Lord Elphinstone

Governor in Council

Fort Saint George

My Lord.

We have the honor to acknowledge the receipt of your Lordship's letter of the 11th instant accompanied by an Extract from the Proceedings of the Sudr Sedalut, and suggesting the inconvenience likely to accrue by any further delay in carrying into effect the act No XXIII of 1843.

With reference to our wish expressed in our last letter that the same Course should be pursued at this Presidency as in Bengal, we beg to inform your Lordship that the delay upon our part has entirely arisen from our not having been able to obtain from Calcutta the detail of the proceedings by which the Act in question is to be carried into operation in virtue of the communications between the Government and the Judges at Calcutta. The following however is the outline as contained in a letter from Chief Justice Ryan to the Chief Justice of Madras.-

1 ... The Mofussil warrants &c are all to be sent by the Mofussil Authorities to the Deputy Sheriff by Post generally under cover to him and he is to bring them to the Judge's Clerk or Judge to be backed, and the whole of the trouble of receiving, registering, executing and returning warrants is to be undertaken by the Sheriff for which he is to receive a fixed Salary of Rupees 200. per Mensem for the present to be increased if necessary.

2 ... The Sheriff is to keep Books for the purpose of registering writs &c books of Account of Sums remitted to tender Expenses of witnesses of Sums levied and remitted &c of money received in lieu of bail account of post-ages &c.

3 ... The Sheriff is to enquire into the sufficiency of bail &c when taken, and report on the same to the

29

Judges of the Supreme Court under the 7th Section of the Act.-

This course of proceeding having been agreed upon between the Government and Supreme Court at Calcutta the former have undertaken to instruct the Mofussil authorities accordingly. The instructions and forms of proceeding are about to be printed, and we have been in the hope of receiving copies of these, agreeably to the promise of Chief Justice Ryan.-

Should your Lordship in Council think fit to adopt a similar course to be adopted in the Madras Presidency, we think the Mofussil authorities may be at once directed to proceed to the Execution of Precepts upon the plan suggested, subject to future alterations and modifications. The subject of remuneration to the different officers employed in the execution of precepts will require consideration, and your Lordship will observe that in Calcutta the Government have agreed to allow the Sheriff a monthly salary. As the System of remunerating the Officers of the Supreme Court by salary has not been introduced into this Presidency, it will be necessary to fix some rate of fees for getting the Precepts backed, and also a fee to the Registrar of the Supreme Court for filing the writs and returns in his Office. Some other points of detail may suggest themselves hereafter when the act has come into full operation; for the present we would recommend that the fees to be taken by the Officers should stand upon the footing of the fees now payable in respect of proceedings within the Jurisdiction of the Supreme Court.

provisions of Act No XXIII of 1840 at this Presidency we have the honor to enclose a copy of a letter from the Government of India dated the 21st of June together with a Circular Order to be immediately issued by the Court of Sadr and Foujdaree Adalut, and to request that you will be good enough to furnish the Sheriff with such further instructions explanatory of the course of proceeding indicated in your letter of the 15th March last as you may deem necessary for his guidance —

2 The Government of India have assigned to the Sheriff in remuneration for the duties devolving on him under the provisions of the above act, a Salary in lieu of all fees, which has been for the present fixed at 200 Rupees per mensem, but is to be open to alteration after 6 months, by which time it is observed "it will have been seen what number and description of Precepts will on an average usually come to be served in each month."

We request that the Sheriff may be desired either to submit for our inspection or to furnish us with a copy of the Register of Precepts which he is required to keep on the expiration of the above period, in view to a reconsideration of the amount of allowance to be properly assigned for his services —

Honorable Sirs,

Para 1. We have the honor to acknowledge the receipt of your letter of the 16th March 1841 and to transmit in reply a Copy of the Correspondence which has passed with the Judges of the Sudr Udalut on the Subject of giving effect to the provisions of Act № XXIII of 1840.—

From the Register of the Sudr Udalut 30 April 1841 № 44.—

2 We are of opinion that the course of proceeding established in Bengal as explained in your letter under acknowledgement and referred to by the Judges of the Sudr Udalut in Para 1 of their proceeding of the 5th Instant, should be adopted under this Presidency and should you consider it unobjectionable, we would also propose that the Bengal Rules of remuneration should be applied and that a Salary of Rupees 300 per mensem should be allowed to the Sheriff upon Condition of his satisfying the fees payable to the Officers of the Court. If this proposition is concurred in, we shall be prepared to address the Government of India, on the subject on being favored with your reply.—

Extract from the Proceedings of the Sudr Udalut under date the 5th April 1841.

Read Extract from the Minutes of Consultation under date the 23d Ultimo communicating for the consideration and report of the Court of Sudr Udalut, Copy of a letter from the Honorable the Judges of Her Majesty's Supreme Court of Judicature at Madras, suggesting measures for giving effect to the Legislature Enactment № XXIII of 1840.—

1 In lieu of the System of remunerating the different officers of the Supreme Court to be employed in the execution of process by fees (at the rate now payable in respect of Proceedings within the Jurisdiction of the Supreme Court) the Judges would suggest that the same course be pursued at this Presidency, as has been established in Bengal, viz. that the whole trouble of receiving, registering, executing and returning Warrants &c. be undertaken by the Sheriff, who, as in Bengal, should keep Books for the purpose of Registering Writs &c. books of account of Sums remitted to tender expences of witnesses, of Sums levied and remitted &c. of money received in lieu of bail, accounts of Postage &c.

2. To this trouble it would appear expedient that the Sheriff should be remunerated, as in Bengal, by a fixed Salary, and inasmuch as the additional trouble that will be entailed on the Sheriff of Madras by the operation of Act № XXIII of 1840 within this Presidency will certainly not exceed [probably fall far short of] the trouble imposed upon the Sheriff of Calcutta by the operation of the same enactment within that Presidency, the Court of Sudr Udalut do not see why the Sheriff of Madras should be remunerated on a scale higher than has been sanctioned in Bengal.—

3 Under the former System the parties at whose instance process was issued were put to no additional expence by reason of its execution against persons residing within the limits of the Presidency, and accordingly it is very desirable that no addition should be made

to the expences of litigation borne by Suitors.

Ordered that the Extract from these Proceedings be forwarded to the Chief Secretary to Government for the purpose of being laid before the Right Honorable the Governor in Council.
