Sir With reference to your letter of the 3d Instant I have the honor to inform you that the Cause of action, the mortgaged house is situated at Vellore, beyond the Jurisdiction of the Supreme Court and the 2d Defendant does not usually reside within its limits but as he is at present living in a house in Chintoudra pettah our Regulations require that he should be served with a notice of trial, in order that he may if he see fit, appear in person or authorize an agent to Conduct his defence in the suit now pending before the District Moonsiff of Vellore and as in the event of the said Defendant residing in another District, or even a separate division of this District the notice and proclamation would be served through the authority within whose Jurisdiction his place of abode was situated, so in the present instance an application for that purpose has been made through you the 2d Defendant being reported to be at present living within the limits of Madras, as above stated- This process is with the view to give the 2d Defendant due warning that such a suit has been instituted against him and if possible to secure a full and fair hearing and does not involve any act that could in any way impugn the authority or Jurisdiction of the Supreme Court Under these Circumstances I again send the papers, and I trust that the Honorable the Cheif Justice may be induced to sign the notice and proclamation The latter is merely to be used in the Case the 2d Defendant Refusing to sign the notice or if he is not to be found-

The attention of the Chief Justice was directed to the letter of the Subordinate Judge in this matter dated the 17th April last and to the fact of Mr. Justice Burton having signed the indorsement on the previous Notice but His Lordship is of opinion that he should not be Justified in doing so, and that, if circumstances exist in the case to render the Defendant subject to the Jurisdiction of your Court, within Regulation II of 1802 Sec. 5, the same should be stated on the face of the process itself which is the only thing by which the Judges of the Supreme Court can be guided in deciding whether they will or not authorize its being served within the Jurisdiction of their Court.
