Sir,

1 With reference to your letter of the 13th June returning the Notice sent up with my letter of 30th May last and informing that His Lordship Sir W. H. Burton has declined to sign the same as he does not consider it to be any such process as is contemplated by the Act No XXIII of 1840 I have the honor to state for the information of His Lordship that a Suit was instituted by Mootoo Moodelly of Madras against Vadaghery Moodelly Muraysee Inhabitant of the Village of Munnewakum in the Manemungalum Talook in the Zillah of Chingleput for the Recovery of S. Rupees 1051-6-10- being the amount deposited with him and certain documents to the Amount of S. Rupees 3000-0-0- in all S. Rupees 4051-6-10- this Suit is now pending before me as

as I comprehend by some documents filed by the Defendant in the said Cause that Unnapoorany ammall the Daughter of the said Mootoo Moodely has some right to a part of the property under litigation in conformity to a Will executed by her deceased brother who lived in her house some time previous to his death I therefore thought and still think it proper to require the Woman by a Notice if she is willing to appear either personally or by an Authorized Vakeel of this Court and defend her right to the property before a decree shall be passed in this Suit.

2 Under these circumstances I hope Your Lordship will be pleased to endorse the fresh notice herein enclosed to the aforesaid Unnapoorany Ammall.

Since the above mentioned notice was presented to the Chief Justice it has been brought to my attention that a nearly similar notice against the same Defendant was forwarded to me in April last, and returned on the 21st April indorsed by the Judge for the same reason as the present one is now returned. From John Walker Esqr

Sir

I have had the honor of receiving your letter of the 7th Instant in which you return certain Notices in suits pending before the Sudr Ameen Moofty of this Zillah No 2 and No 139 of 1845 which with translations thereof were enclosed in my letter to the Deputy Sheriff of the 26th Ultimo and you inform me that on presentation of these Notices to the Chief Justice for signature His Lordship declined to sign the same on the ground that it does not appear that the Defendants therein severally named as the 1st and 2d Defendants are subject to the Jurisdiction of my Court within the meaning of Section V of the Regulation II of 1802.

2 Notices in the same suits were forwarded by me in my letter to the Deputy Sheriff of the 23d January 1846 and were severally endorsed on the 31st of that

month

month with a direction to the Sheriff to execute the same signed by the hand of the Chief Justice. They were returned to me by your predecessor in his letter dated the 12th March 1845 stating that the Defendant was not to be found within the limits of Her Majesty's Supreme Court of Judicature at Madras.

3 Fresh Notices in the same suits were forwarded by me with a letter to the Deputy Sheriff of the 17th February 1845 and these were in like manner severally endorsed on the seventeenth of that month with a direction to the Sheriff to execute the same signed by the hand of the Puisne Judge. These also were returned to me by the Sheriff in a letter dated the 26th March 1845 stating that the Defendant therein named was not to be found within the limits of Her Majesty's Supreme Court of Judicature at Madras.

4 In the Notice just returned by you in suit No 2 of 1846 it is set forth that the suit is for money due under a deed executed at Jungalore in the Talook of Ongole in the Zillah of Nellore by the late husband of the 1st Defendant that she is sued as his sons guardian, and that the 2d Defendant is sued as one of his younger brothers the family being undivided, also that the said two Defendants are inhabitants of Jungalore though now lodging at Madras.

5 In the Notice just returned by you in suit No 139 of 1845 it is set forth that the suit is instituted for money due on two bonds executed at Jungalore in the Talook of Ongole in the Zillah of Nellore by the 2d Defendant with the consent of the 1st Defendants husband deceased the whole family being undivided and that the said two Defendants are inhabitants of Jungalore though now lodging at Madras.

6 The Zillah Courts being competent under Section V. Regulation II of 1802 to take cognizance of all suits against natives in which the cause of action has arisen within the Zillah, and the cause of action in these two suits being as I conceive a non performance of the things stipulated in the bonds alledged to have been executed by the 2d Defendant as the cosharer of himself and the other Defendants at Jungalore within this Zillah and the Defendants not being residents within the jurisdiction of Her Majesty's Supreme Court (in which case under Section XII of the same Regulation

Regulation they would be beyond the jurisdiction of the Zillah Court) but being inhabitants of Jungalore in this Zillah and only lodging for a time at Madras and the same being set forth in each Notice I do not myself perceive what more should be set forth in them.—

7 No form for notices of this sort has been prescribed for the observance of the Zillah Courts. But if the Chief Justice will not object to favour me through you with a communication of his sentiments as to the terms in which such Notices should be drawn up so as not to appear objective in the particulars adverted to I shall readily avail myself of the information. And I therefore beg you will have the goodness to ask His Lordship to permit the communication to be made to me.—

Sir I have the honor to acknowledge the receipt of your letter of the 11th Instant and in reply to acquaint you that it has been laid before His Lordship the Chief Justice this day who desires me to inform you that he will be happy to reconsider the papers therein alluded to either in their present form or in any other form in which you may be pleased to transmit them.

I beg at the same time to state for your information that on consideration of the matter with His Lordship he is still under the impression that unless it clearly appear that the two defendants were fixed Inhabitants within the limits of the Zillah over which your Jurisdiction extends at the time when the causes of action arose as against them he would not be justified in signing the processes and that on my referring to the Notes of the several processes alluded to in your letter as they appear in the Sheriffs books,

I find

I find that in the process signed by His Lordship The Chief Justice in January 1845 against one of the two Defendants it clearly and distinctly appeared that the Defendant therein named was an Inhabitant of Sangatteer but then residing at Angelalavanchertrum at Peddenaidepettah within the Jurisdiction of Madras and that by the Process signed by Sir William Burton in February 1845 in like manner it appeared that the first Defendant therein described is an Inhabitant of Sangatteer was then residing in the Salavarchertrum at Peddenaidepettah within the Jurisdiction of Madras whereas in the third processes alluded to in your letter now under reply and which were returned to you with my Letter of the 7th Instant the fixed Inhabitancy of the said Defendants does not appear to be so clearly defined, and moreover it does not appear that at the time when the causes of suit arose against the said Defendants in their representative capacity, they were fixed Inhabitants within the limits of your Zillah, without which being the case the Chief Justice considers the proceedings of your Court would be irregular under the XII Section of the Regulation II of 1802 which says "Nor shall the Zillah Courts entertain any suit whatever against a person who may be a resident of Madras or of any place within the said limits, at the time the suit may be instituted" Subject to your consideration of what I have herein brought to your Notice I shall be glad to afford every assistance in my power in the matter in question

Civil Judge of Nellore

Sir

1 I have the honor to acknowledge the receipt of your Letter of the 17th Instant No. 16 having reference to your letter to me of the 11th Instant and my reply thereto of the 13th Instant.-

2 I am sorry to find that my last mentioned reply does not appear to have conveyed to you the information solicited, which Ex Officio it is not of my power and province to grant.-

3 There are no forms of Notices issued by the Supreme Court for the purpose of informing any person that a Suit has been instituted against him before Her or His Majesty's Judges which are in any respect similar to the forms adopted and used in the Mofussil Courts which latter are framed on a Code of Regulations framed for the special guidance of those Courts both in regard to their forms and proceedings the nature of which is not otherwise known to myself or the Judges save by inspection of the different forms forwarded for the latter's signature by the Mofussil Officers and reference to the Regulations.-

4 I am at a loss to see why you should be at such great difficulty, as by the first Paragraph of my letter to you of the 13th Instant I informed you that His Lordship the Chief Justice would be happy to reconsider the papers (under consideration) either in their present form (if you still think them accordant with the Regulations) or in any other form in which you might be pleased to transmit them.-

5 The Papers not being before me I cannot specifically advert to them with accuracy. But from my recollection of them I think they did not state that the Defendants the Representative were fixed Inhabitants of Tanjore at the time when the suits were commenced but now residing in a Specified place in Madras which is the only point upon which the Chief Justice has had a doubt as to whether the cause of Action could not accrue or have arisen against the

the Representatives, until after the death of the Obligor of the Bonds proceeded on when if they were fixed Inhabitants of Tanjore, (although they may have since removed to Madras no matter for what purpose) they would without doubt be liable to be sued in your Court, but such fixed Inhabitancy should appear on your process to justify his Lordship in signing the same.-

6 No particular formed Statement to the effect last adverted to appears to be adopted by the different Mofussil Judges who regulate and prescribe the forms of their respective Courts and I think I may assert that different Judges adopt different modes of wording their papers though in substance and effect they are generally the same and accordant with the Regulations.-

Civil Judge of Salem

Sir,

I have the honor to acknowledge the receipt of your letter of the 26th Instant together with a Notice and certified translation thereof in Pauper Appeal Cause No. 5 of 1846 which Notice and translation are herewith returned, as His Lordship The Chief Justice before whom I laid the same for signature this day, has declined to sign the same, on the ground, (that if does not appear by the Notice as it ought to do accordant with Section V Regulation II of 1802) that the Respondents therein named who are sued as sons of One Aurosmoga Moodelly deceased, were fixed Inhabitants in the Zillah of Salem, either at the time of the death of the said Aurosmoga Moodelly when the Action accrued against them as his Representatives or at the time when this Appeal Suit was commenced, which his Lordship conceives it necessary should appear to give your Court Jurisdiction over the parties in question, who from what that appears to the contrary, might have been fixed Inhabitants of Madras at the time when the present right of action or Appeal accrued against them.

Under the foregoing explanation should it be the fact that the Respondents were fixed Inhabitants of Salem at the time of the death of their father, or the commencement of this appeal I imagine that present Notice could easily be revised when I have no doubt His Lordship will most readily sign the same on its being forwarded to me for that purpose with the usual translation.

From

L Cooper Esqr.
Sheriff of Madras

To

W Lavie Esqr.
Civil Judge at Chittoor

Sir,

I have the honor to acknowledge the receipt of your letter of the 24th. Instant, enclosing a Document (with translation) in the nature of an Attachment or Warrant for the arrest of one Yeddanapoody Narasiah, a Witness in a certain Suit wherein Ganauter Naugojee Row is Plaintiff and Bary Conary Chitty & others are Defendants in your Court by reason of the Witness having failed to appear on a Summons previously served upon him.

In returning the Warrant with its translation herewith I beg to state for your information that His Lordship The Chief Justice has this day declined to affix his signature to the Warrant, on the ground that it does not appear that the Witness is properly in contempt, inasmuch as it does not appear that at the time when the Summons was served on him his reasonable expences for travelling and subsistance up the Country on the business of the Cause, were tendered to him without which he could not be legally bound to attend. His Lordship therefore desires me to acquaint you, that he cannot under such circumstances authorize the arrest of the Party.

I would recommend another Subpoena being issued requiring the attendance of the Witness within a reasonable number of days after the service and that his expences be tendered to him at the time of service by one of the Peons of your Court, and that on my return of the service your being satisfied of the tender of the expences by the Affidavit of your Peon, and the Witness's default a Warrant for his arrest be thereupon issued, in which the tender so sworn to of a certain reasonable sum for the expences and the Witness's neglect to attend should be

be stated, as the grounds for the issuing of the Warrant.

No 53.

Extract from the Proceedings of the Civil Court of Rajahmundry
Dated 9th April 1846.

Read the letter dated the 7th March 1846 from the Sheriff of Madras returning unexecuted the Warrant in Suit No 90 of 1840 late Northern Provl Court's file.

The Civil Judge observes that the Plaintiff sought the jurisdiction of the late Northern Provincial Court and thereby voluntarily made himself subject thereto; that a person once subject to the Jurisdiction of any of the Company's Courts cannot escape consequences actually incurred while he was subject to its Jurisdiction by removing out of its limits, and that the warrant issued by this Court which is in the place of the late Northern Provincial Court for 168 Rupees being the amount of costs due to the Defendant in this Suit was sent to the Sheriff and on being presented to His Lordship the Chief Justice was duly on the 2d January last Ordered to be executed, and was so executed on the Plaintiff by the Sheriff

The Sheriff is requested to bring to the Notice and recollection of His Lordship the Chief Justice that the power of this Court to recover Costs from the Plaintiff in this Suit has already been deliberately recognized by the Supreme Court at Madras, and with reference to the above remarks to submit the case and Warrant for His Lordship's reconsideration and orders, for which purpose the Warrant is herewith retransmitted —

Ordered that Extract of these Proceedings be forwarded to the Sheriff of Madras for his information —

To

The Civil Judge

Rajahmundry

Sir,

I have the honor to acknowledge the receipt yesterday of

of the Extract No. 53 from the Proceedings of the Civil Court at Rajahmundry, under date the 9th Instant accompanied by the Warrant in Suit No. 9 of 1840 late Northern Provincial Courts file against G. J. Usunian Esquire of Madras, under date the 23d day of February last, and in reply beg to state for your information that these Documents were immediately forwarded by me to His Lordship's The Chief Justice together with the copy of a Letter from myself to your address under date the 7th Ultimo, for His Lordship's information and directions on the Subject.

His Lordship has this day directed me to acquaint you, that my Letter to your address of the 7th Ultimo before adverted to, contains amply sufficient grounds for his declining to sign the Warrant in question or any other of its tendency against Mr. Usunian, and to add, that if he has before signed any such Warrant against any party on a former occasion, he has done so through inadvertence and that his having done so and discovered his error, is now reason why His Lordship should uphold the continuance of a practice, by such a course of proceeding against an Inhabitant of Madras, which on its being now brought to his particular attention and consideration he conceives to be illegal and improper, I therefore regret that I am under the necessity of again returning the Warrant in question unexecuted, as without the authority of One of the Judges of Her Majesty's Supreme Court I could not execute the same except at the peril of an action at the instance of the injured Party.

Sir,

I have the honor to acknowledge the receipt of your letter of the 17th Instant, together with two Notices and certified translations thereof, in Original Suits №s 1318 of 1844 and 901 of 1845 on the file of the District Moonsiff of Keevalore, which are herewith returned, and in reply to acquaint you that on presentation of these Notices to His Lordship Sir W. W. Burton for signature, his Lordship declined to sign the same respectively, on the ground that it does not appear by either of these Notices that the 3d Defendant Esmael Nackeal the 2d Wife of Mooradully Mercoin deceased (the Original Defendant in these causes) was a fixed Inhabitant of Negore, either at the time of her said Husbands death, or the time when the causes of action against her arose, or when the said actions were commenced, without which appearing under Section VI of Regulation II of 1802, His Lordship is of opinion that the District Court of Keevalore has no Jurisdiction in these matters over the said Esmael Nackeal.

I further beg to submit for your consideration that no parties are liable to be sued as Representatives, unless they shall have possessed Assets of their Intestates available to meet such claims as may be preferred against them, and which under one of the late Legislative Enactments, I conceive should be mentioned, or averred, in the statement of the cause of action as against Representatives in process if sued against them and proved on the hearing of the cause.

Sir, I have the honor to acknowledge the receipt of your letter of the 13th Instant together with the two unserved Notices in O. S. Nos. 1318 of 1844 and 901 of 1845, and in reply to inform you that I have again submitted the latter to His Lordship Sir W. W. Burton with the view to obtaining his Lordship's signature thereto, and also your letter of the 13th Instant for His Lordship's consideration. But regret that His Lordship still declines to sign the Notices in question (which are herewith returned) on the grounds I brought to your attention by my letter of the 21st of April last, in addition to which His Lordship remarked, that the Original Defendant Moorodally Mercoin having died pending the Suits, they thereby became abated, and that they could only be revived or commenced afresh against his

his Widow the Defendant Esmael Nacheal, on its appearing to be the fact that she was a fixed Inhabitant residing within the District of Keevalore at the time of Her Husbands death, when the causes of action accrued or arose as against her, which fact should appear in the Notices accordant with Section 5 Regulr 2 of 1802 to give you Jurisdiction in the matters independent of the other fact of the Widows having professed herself of Assets of the deceased which I observe you have mentioned in your letter of the 13th Instant.

Sir, I have the honor to acknowledge the receipt of your letter of

of the 25th Ultimo, together with an Isteyarnamah and Duplicate and also the certified translation thereof in Cause No 391 of 1846, which are herewith returned and in reply to inform you, that on presentation of the same to His Lordship The Chief Justice for signature, he has declined to sign the same on the ground that it does not appear by the Isteyarnamah that the parties who are sued as Sons of Sojarut Jung Bahadur deceased were subject to the Jurisdiction of the District Moonsiff's Court of Trepassore, either at the time of the death of the said Sojarut Jung Bahadur when the action accrued against them as his representatives or at the time when this suit was commenced inasmuch as it does not appear that at either of such times the said Defendants or any of them were fixed Inhabitants actually residing within the Jurisdiction of the Civil Court of Chingleput agreably to Section 5 Regulation 2 of 1802 which his Lordship conceives should appear on the face of the process (if accordant with the fact) to give your Court Jurisdiction over the parties in question.

I beg to suggest that the proper course to be adopted in the respects adverted to, would be in all future Mofussil processes with reference to Defendants amenable to the Mofussil Courts, after mentioning the Names of the Parties, to say if such be the fact, who were fixed Inhabitants residing at _____ (naming the place) within the Jurisdiction of this Court, (from which the process may be issued) at the time of the death of their Testator or Intestate, as the case may be, or when the cause of action herein accrued, or arose against them, as representatives, who are charged with the possession of Assets. But where said Defendants are at present residing at Madras, the said (name) in such a street in such a Village or Pettah and so on, which being carefully attended to in substance, no doubt or difficulty is likely to arise on presentation by the Sheriff of process for the

Signature

signature of either of the Judges of the Supreme Court

I have taken the liberty of offering the last mentioned suggestions from a full sense of the inconvenience and delay that must be occasioned both to the Mofussil Courts and their Suitors by process being returned with such objections as those herein adverted to. To remedy which difficulty I shall be most happy at any time if required to render any assistance that may lay in my power towards arranging any blank forms of process which may be forwarded to me for that purpose so as to render the same in future perfectly unobjectionable.

Sir,

Para I. I have the honor to acknowledge the receipt of a Notice and translation under date the 8.th Instant in Pauper Appeal suit No. 5 of 1846 (unaccompanied by the usual Letter of instructions) which I observe purports to be the same kind of Notice only in an amended form, as that which I returned with my Letter to your address of the 31.st of March last.

Para II. I regret to inform you that on presentation of the amended Notice now returned, His Lordship the Chief Justice remarked that the same was still open to the objections contained in my Letter of the 31.st of March and that he could not therefore sign the authority thereon endorsed and submitted for his signature, as it appeared to him that on the face of the Notice in question your Court in fact had no Jurisdiction in the case, the Three Respondents in the suit having left your Jurisdiction with their Father Aaroomoogum Moodelly and proceeded to Madras previous to the time of his death and as may be inferred from the content of your Notice ever since remained fixed Inhabitants thereof and further there was nothing in the Notice to shew that the property left by the said Aaroomoogum Moodelly

Moodelly within your Zillah at the time of his death to which the Respondents are stated to be the Heirs, was Landed, or other Real property which alone would give you Jurisdiction in the matter, under Section V Regulation II of 1802. as in His Lordship's Opinion mere personal property would not be sufficient for such purpose.

To L. Cooper Esqre

Sheriff of Her Majesty's Supreme Court of

Judicature at

Madras

Sir,

With reference to your letter of the 24th ultimo I have the honor to state that the Defendants in the Suit № 1785 of 1845 on the file of the Court of Commissioners for the recovery of small debts at Madras, having gone away from Madras to the Zillah of Chingleput the Plaintiff obtained Copy of the Decree from that Court and presented it with a Petition to the Principal Sudr Ameen of Chingleput requesting him to cause the amount of the Decree to be collected from the Defendant. The Defendant having understood that the Principal Sudr Ameen of Chingleput Zillah is sued a

a warrant against him came away to the Zillah of Nellore.

The Plaintiff having understood the Circumstances, obtained attested Copies of the said Decree and of the Diary Proceedings of the Princ.l Sudr Ameens Court at Chingleput on the subject & presented them to me with a Motion requesting me to cause the amount of the Decree to be collected from the Defendant and paid to him.

By the instructions contained in the Correspondence between the Court of Sudr Udalut and the Government. Copy of which accompained the Circular letter from the Court of Sudr Udalut dated 30th April 1827 I am bound to carry into execution any Decree of the Supreme Court at Madras on its being produced by the gaining party provided the Defendants and their property are within my jurisdiction & therefore issued a warrant against the Defendant and a portion of his property found in that Zillah was destrained.

The Defendant then appeared before me on the 25th March last & gave a Kyfeut or declaration to the effect that he would go to Madras & bring from thence the whole amount of the said Decree & well & truly discharge it within 20 days and get his property relieved from attachment. But as the Defendant failed to appear before this Court for a long time the Plaintiff again presented an Extra Motion in No. 332 of 1826 praying that the Defendants property which had been held under attachment by this Court should be sold in public auction & the amount proceeds thereof paid to him in satisfaction of the Decree Consequently the Notice which accompanied my letter of the 15th Ultimo but which has been returned to me with your letter under reply was issued

I have therefore the honor to transmit again the Notice and request You will be good enough to get the same served on the Defendant and returned to me in order that I may

I may be enabled to dispose of the application made to me by the Plaintiff to carry the abovementioned Decree into execution.

Para. 1. I have the honor to acknowledge the receipt of your

Communication

communication of the 11th Instant, returning the Istiarnamah and Certificate forwarded in my letter to your address of the 29th Ultimo for the purpose of further Execution being directed, and intimating that His Lordship the Chief Judge declines to sign it inasmuch as it does not sufficiently appear on the face of the Notice how the 1st & 2d Defendants to whom such Notice is addressed are subject to the Jurisdiction of the Court from which the same is issued.

2. The Notice in question went to declare that "the suit was brought to recover Rupees 211-15-0 due on a Bond executed by Defendants (names inserted at the Hearing) at Conjeveram within the Zillah of Chingleput whilst they, Defendants, were fixed residents of the same Village."

3. His Lordship the Chief Judge on the occasion of the 1st Notice having been issued, would seem to have recognized the Amenability of the same Parties to the local Jurisdiction of the District Moonsiff's Court by endorsing his signature thereto, in virtue of the required sanction for its being carried into effect within the limits of the Supreme Court, without any objection being then raised as now on the question of Jurisdiction.

4. I presume, with all due deference and respect for His Lordship's decision, to transmit again the same Istiarnamah, for the sake of your ascertaining His Lordship's opinion and direction in what manner any apparent defect is to be supplied, which may remove the exception at present taken against the legality of its process.

I have the honor to acknowledge the receipt of your Letter of the 13th Instant, forwarding for execution the certified translation thereof in A.S. No 1 of 1846, and to inform you that the same was this day submitted to His Lordship the Chief Justice for his signature, when his Lordship objected to sign the same, on the main ground that it did not appear by the Notice in question, what person, or persons, by name, was, or were, the Heir, or Heirs of Vurdarayo Moodelly, the deceased Respondent, or where such person, or persons were resident, so as to render them amenable to the Jurisdiction of the Appellate proceedings under Section V Regulation II of 1802 as for ought that appears to the contrary, the Heir, or Heirs, (if any there be) may be resident Inhabitants, without the Jurisdiction of the several Courts of this Presidency. And it is more than could be expected, that the Sheriff should find out the fact, as to who is, or are the Heirs of the deceased party, or where he, she, or they may be resident, without definite instructions on the subject, in the Process which he is required to execute, and which could only be obtained through the medium of the Parties Appellants in the matter.

Para 1. With reference to your letter to my address of the 16th Instant and the Setteyannamah and Certified translation thereof therewith forwarded I now beg again to return the same for the purpose of being amended (if the fact of the Defendants Inhabitancy will admit of its being rectified) in the respect hereinafter pointed out.

2 I have at the same time the honor to acquaint you that the Setteyannamah in question was this day submitted by me together with your Letter of the 16th Instant for the consideration and directions of His Lordship The Chief Justice on the subject, who desires me to mention, that he was not aware of having signed any similar Document and that if he had done so, it must have been from casual inadvertance, as the objection is one which had his attention been attracted to the point, would immediately have been taken, also that in his opinion the Inhabitancy of a party Defendant at the time of the execution of a Bond, within your Zillah, does not render such a party amenable to the Jurisdiction of your Court, and that nothing short of such persons residing as a forced Inhabitant within the limits of your Zillah, at the time when the cause of action arose (Viz. the Bond fell due) or the Suit was commenced, could render such party amenable under Section V Regulation II of 1802. by which your Jurisdiction is defined.

3 On its appearing by the Setteyannamah in question or an amended one that the Defendants in the case in question were forced Inhabitants resident within the limits of your Zillah, either at the time when the cause of action arose against them, or at the time when the Suit was commenced against them, I imagine there will be no further difficulty in the matter provided only that the fact of the Defendants residency will admit of such an amendment.

Lordship the Chief Justices signature to the endorsement which I caused to be made thereon as is usual in such cases when His Lordship raised the following objections. Firstly. That he could not affix his signature giving authority for the arrest of any Party charged with a Crime such as that described in the Warrant unless it appeared on the face of the Warrant, (which it does not in the present one,) that the Parties are charged of the Offence on the Oaths or affirmations of certain persons who should be named in the Warrant specifying the offence. Secondly. That the present Warrant is defective in directing that the stolen property anticipated to be found in the dwelling house of the parties charged should be taken up with parties His Lordship being of opinion on this points that it should form a distinct and separate Warrant usually termed a Search Warrant and which also could only be granted or issued in like manner upon the oaths or affirmations of certain Parties shewing grounds for suspecion that the property charged to have been stolen as aforesaid, was contained in some particular house or place or, in the possession of some particular person, accordant with the facts as deposed to on Oath, His Lordship also seemed to think that such last mentioned Warrant could be granted either by yourself or any Magistrate of this place on satisfactory evidence taken in writing shewing the grounds of belief for the concealment of the property alleged to have been stolen.

In returning the Warrant I trust there will exist no difficulty in arranging this business as herein suggested.

Memorandum. This Letter was delivered yesterday, to the Peons who brought the within Warrant from Palamanair But they appeared before me this Morning with the Prosecuter Ally Nawaz Khan and complained of the time that would be occupied in returning for a revised Warrant or Warrants and the consequent delay, which the Prosecutor is desirous to avoid, being now in Madras. I have therefore thought it the most expeditious mode, to transmit this Letter and Warrant to you by Tappal and to await your reply by that Channel and in the mean time advised the Prosecuter and Peons to lodge their informations before one of the Madras Police Magistrates, with the view to discovering the persons charged or suspected of the Theft and securing if capable of being found, the property alleged to have been stolen. The Peons have promised to attend at my Office from time to time awaiting their future orders which I shall be glad to communicate to them when received.

Sir

Mag. Dispt.

I have the honor to acknowledge the receipt of your letter dated 23d Instant returning my Warrant for the apprehension of two Individuals on a charge of Theft and stating that his honor the Chief Justice of the Supreme Court has refused to affix his signature thereto. I have therefore the honor to request that you will be so good as to refer the prosecutor who is now at Madras to the proper authority on the spot for the recovery of his property and the institution of such measures as may be proper for bringing the accused to trial and direct the Peons who attended to serve the Warrant to return to their duty in this District.

Sir,

In returning the enclosed summons requiring the appearance of certain Witnesses before the Session Court at Chittoor in Case No 14 of 1846 I have the honor to acquaint you that an objection was raised on the part of the several Witnesses who have been served with the said Process and whose names appear by my endorsement thereon to attend the same unless their expences were paid, and that the objection being considered by me a legal One the Witnesses will on my recommendation obey the summons in question, on the faith that their necessary expences will be defrayed under your orders and directions, for which I presume provision is made by the Regulations of your service. In Civil Cases such expences are usually borne (where

I have delayed too long to thank you for your obliging letter of the 17th Ultimo, forwarding certain witnesses required by the 1st Prisoner in Case No 14 of 1846 on the file of this Court, and for other communications from your Office regarding the Civil processes of this Court, I now offer you my best thanks for the obliging manner in which you have endeavoured to meet my wishes, and have pointed out the proper course to be pursued when the process has not been regular. In all criminal cases batta is allowed, and has been given to the Witnesses above alluded at the rate of 2 Annas per diem from the day they left Madras and also for their return thither, and during their detention at this station, which was unavoidably prolonged owing to the death of the late Mahommadan Law Officer. In Civil processes the travelling expenses and subsistance of the Witnesses while in attendance to give their evidence should be defrayed by the party who requires their testimony; but it is not always known whether they will be forthcoming or what will be the eventual expense of their coming to Chittoor which will account
