Sir,

I have the honor to acknowledge the receipt of your letter of the 26th Ultimo together with a Summons and the certified translation thereof in Cause № 159 of 1847 on the file of the District Moonsiffs Court of Trepassore which are herewith returned, and in reply to inform you, that on presentation of the same to His Lordship The Chief Justice for Signature yesterday he declined affixing his name thereto, believing on perusal of the Translation of the Summons in question, that there must be some mistake in making the 3d Defendant a Party as the Guardian of the 1st and 2d Defendants Husband and Wife, (be it remarked a most extraordinary sort of Guardianship) to a Suit against their Son, on no other apparently ostensible ground than that of the said 3d Defendant happening to be the Guardian of the said Husband and Wife who are not parties to the Suit.

It may possibly be, that there is some mistake in rendering the Translation of the Process, however I have no doubt but that you will at once discover and have rectified the errors you may find to exist in the matter.

Sir, I have the honor to acknowledge the receipt of your

your letter of the 27th Ultimo together with a Notice and certified translation thereof in Suit No. 46 of 1847 on the file of your Court which are herewith returned and in reply to acquaint you that on presentation of the Notice in Question to His Lordship The Chief Justice for signature yesterday, he declined to sign the same on the ground, that it does not appear on the face of the Notice, as it ought to do, either that the 2d Defendant in the said Notice named was a fixed Resident Inhabitant within the Zillah of Nellore, at the time when the cause of Action arose, or the proceedings in your Court were commenced against him or when the cause of Action did in fact arise? as required by Section V Regulation II of 1802 in order to give your Court Jurisdiction in the matter. His Lordship being of opinion that the mere circumstance of a party's granting a Bond or written Document within such Zillah (which even does not appear by the process forwarded) does not of itself, make such party in any respect amenable to the Jurisdiction of your Court, unless the default or breach in the payment of the Bond, or other Document granted according to its tenor, shall happen to occur within its Jurisdiction and the party at such time or at the time of the commencement of the Suit, shall be a fixed resident Inhabitant as required by the above Regulation.

I beg further to add for your information, that the nature of Documents on which claims are sought to be recovered, is generally and almost without exception stated in the several Mofussil Processes which have come under my observation.

Sir,

I have the honor to acknowledge the receipt of your letter of the 10th Instant together with a Proclamation and an English Translation thereof in Appeal Suit No. 81 of 1846 on the file of the Sudr Adalat which are herewith returned and in reply to acquaint you that on bringing the same to the Notice of His Lordship The Chief Justice and on reference to Clause II Section I Act XXIII of 1840 it appears that all Writs or other Process such as that now returned should be accompanied by a Copy of such Writ or process, duly authenticated as such by the attestation of the Court, Judge or Magistrate, signing or issuing the same, accompanied also by a certified Translation of the same in the English Language, as is now almost universally done with all Mofussil Writs or Process such Translations being separate instead of blended with the Original Writ which is generally quite distinct (from the translation)

and

and in the Language of the particular Court.

I have taken the liberty of mentioning the last mentioned circumstances to prevent any misapprehension in regard to the forms when they are next transmitted to me, as it occurs to my mind that in giving the required certified Copy of the Writ you might be put to some inconvenience in regard to the blending of the Translation in it, which is contrary to the practice at present observed in the Mofussil forms required to be executed by the Sheriff under the Orders of Her Majesty's Judges.

On my receiving the Original Writ in the Native Language under Seal &c. with a separate attested Copy thereof also under Seal and a separate Translation of the Original Writ, the Judge will sign the usual direction to the Sheriff on the Original, of which I shall make my return, the Duplicate being seized or otherwise as directed to be done as notification to the party cited to appear.

Sir

I have the honor to acknowledge the receipt of your letter of the 11th Instant transmitting two Summonses No 448 and 449 of 1847 with translations for service on the person therein named under Section I Act XXIII of 1840 which Summonses

Summonses are herewith returned, His Lordship The Chief Justice having yesterday refused to sign the usual endorsement on the same respectively.

The grounds on which His Lordship refused to sign the Summons No 448 against the 5th Defendant therein named Iyaloovier were that it thereby appears that his supposed liability is for payment of the Debt of a third party the 1st Defendant and that a Mortgage Claim on the part of the Plaintiff and in professed liquidation of a certain amount said to be due by the said 5th Defendant to the said 1st 2d 3d and 4th Defendants which the said 5th Defendant is alleged to have engaged to make good to the Plaintiff and is a claim of a very doubtful legitimate Character and it moreover struck his Lordship as being equally doubtful whether the 5th Defendant ever was a fixed resident or Inhabitant within the limits of your Jurisdiction either now or at the time when the cause of action is supposed to have arisen against him in accordance with Section V Regulation II of 1802 as nothing of this kind can be inferred from the contest of the Summons in question. and the party in question is reported to me in my Office as having been a fixed Resident at Madras for the last 10 years and upwards.

The Chief Justice refused to sign the Summons No 449 (which appears to be against the same party Iyaloovier) on the ground that the nature of the Cause of action as against the 5th Defendant as stated in the first Paragraph of the Summons is perfectly unintelligible except as appearing to be an engagement to pay the Debt of certain other Defendants, third parties of an equally doubtful legal effect as that mentioned in the other Summons, and likewise that it does not either appear by the last mentioned Summons as required by the above quoted Regulation of 1802 that the said Defendant is in any respect subject to the Jurisdiction of your Court.

Sir I have the honor to acknowledge the receipt of your letter of 30th Ultimo together with a Warrant and translation thereof in Appeal Suit No. 143 of 1837 on the file of the late Auxiliary Court which are herewith returned and in reply to acquaint you that on presentation of the Warrant in question to His Lordship The Chief Justice he has declined to sign the same on the ground that the said Translation was not duly certified as required by Clause II Section I of the Act XXIII of 1840, and on the further ground that the said Warrant in regard to Form appears to be irregular, as it does not contain the usual

directions

directions for the seizure and Sale of the Defendants and Respondents property as is usually contained in Writs of Fieri Facias at Common Law and moreover the Sheriff could not with safety seize any property as the property of a Defendant or Respondent without having a proper person to point out the same. Nor could he sell the same without Indemnity from the prosecuting party in the event of the property seized being disputed and claimed by third parties, not parties to the suit in your Court.

I further beg to observe that the Writ in question is directed to the Nazir of your Court and not to the Sheriff of Madras and that under a mere Letter such as that of yours to my address of the 30th Ultimo. I apprehend in case of the Sheriffs Seizure being disputed, he would not be able to justify his acts as having been done according to legitimate authority. In the Supreme Court he never seizes or sells any property except under a Writ of Execution under the seal of the Court.

To

Sheriff of Madras

Sir

On looking at the Section to which Mr Freese refers in Regulation IX of 1816 - which is Section XIII and not XIV - it certainly appears that a Magistrate may issue process for apprehending certain persons under the circumstances there stated But then I think in that case the warrant, if intended to be founded on the report of a police officer, should recite that sufficient cause for apprehending the party appears to the Magistrate upon the report of such officer - as the Warrant is now worded, neither oath nor solemn declaration nor any other lawful ground for issuing it appears upon the face of it. I therefore still feel obliged to decline to countersign it.

I am sorry that the fact of one of the Summonses for witnesses being in a distinct case was overlooked on the former occasion. I have now indorsed it.

I will beg of you to do me the favor to inform Mr Freese that all criminal process which is to be executed by a Justice of the Peace within Madras may be sent to me direct.

I have the honor to be,
Sir

To

S. I. Franklin Esqre
Sheriff of Madras

Sir,

Para: Adverting to your letter No 92 under date the 3d Ultimo to the Address of the Extra Assistant which His Lordship the Chief Justice had declined to countersign, as it was not apparent that the Warrant was "grounded upon affidavit of the party interested therein," I have the honor to retransmit the above documents, and to request that you will point out for his Lordship's reconsideration, that one of the Summonses, viz: No 4 was for the attendance of 2 Witnesses required on a trial of certain parties who stood committed on a charge of High way Robbery, and then pending before the Principal Sudr Ameen, a matter totally distinct from, and unconnected with, that in which the Warrant was issued; a fact, which from the tenor of your letter would appear to have been overlooked.

2. In regard to the Warrant and Summons connected with it, I would further request you to point out that under the latter part of Section XIV Regulation IX of 1816 of the Madras Code, a Magistrate is authorized to issue process to apprehend a person for whose delinquency sufficient cause may appear upon the report of a Police Officer; and likewise that a Police Officer in this

this Presidency is not legally competent to administer an oath in any matter pending before him, and that no charge, therefore, can be made before such Officer on the "oath either for the interested, or of any other party."

3 I beg further you will submit for His Lordship's consideration whether some arrangement cannot be made for the immediate submission to the Judges of warrants, as the delay of a few days, or perhaps a week may frustrate effectually the ends of Justice.

My Lord,

I beg to submit for your Lordship's consideration a letter received by me this morning from Mr Freese the Magistrate of Chingleput, enclosing a Criminal warrant—and two Summonses for witnesses—the former of which your Lordship may recollect you declined signing on the ground that the charge against the party was not verified by affidavit.

Perhaps your Lordship will consider Mr Freese's suggestion that he has no power to administer an oath a sufficient answer—and I trust your Lordship will kindly favor me with your views as to 3d Para of Mr Freese's Communication.

I am extremely sorry to be under the necessity of still declining to direct the execution of the accompanying Warrant; but, for the protection of those who are to execute it in Madras, it is proper that the matter stated upon the face of it should appear to be a criminal offence. It may be so in point of fact as the Magistrate has pointed out in his letter to you - but it does not bear this aspect in the Warrant itself, which is therefore defective and for the reason which I have given, ought in my opinion to be amended -

If I might offer a suggestion as both the Judges have expressed their opinion that the offence is purely of a Civil nature and on reading your last letter and the Regulations referred to by you appear to retain the same impression perhaps it will be as well to take a Civil Action against the Offenders rather than press his Lordship to a Course he is evidently disinclined to and place the Sheriff in the disagreeable position of executing a dubious Warrant.

My Lord

I have the honor to forward for your Lordship's signature a Criminal Warrant with a communication from the Magistrate of Chingleput directed to my address.

I have the honor further to state for your Lordship's information that a similar Warrant in this Case was on the 21st September last forwarded to my address and presented to your Lordship and your Lordship declined affixing your signature to it in its then form and expressed an opinion that the matter was more correctly a Civil than a Criminal Offence and directed at all events that the parties should be summoned in the first instance. In accordance with your Lordships direction the parties have been duly summoned on the 19th Ultimo, and on the expiration of the time limited by the Summons without any appearance the accompanying Warrant has been issued for the apprehension of the Parties -

Madras 1st November 1824

I am still at a loss to understand how the act imputed to the parties in the writ which you have this day forwarded to me, is a Criminal offence, or any thing more than a Civil wrong. The Magistrate may be able to satisfy me on this subject by pointing out the Regulation under which this proceeding has taken place, and for this purpose I think the Warrant should be committed to him.

I had the honor to receive your Letter of the 25th Instant yesterday, which I have laid before His Lordship The Chief Justice together with your Warrant against Servigunga's Ammall which is herewith returned and to inform you by His Lordship's directions that he does not see what Criminal Offence it is with which this party is charged? That the Matam, as far as appears from the Warrant, may be one to which she claims title, and the locking up of the Door appears to be an act done in assertion of some right - Before endorsing the Warrant therefore the Chief Justice would wish to be informed what is the specific offence which this party is alleged to have committed.

In reply to your letter of Yesterday's date, I have the honor to inform you, for Communication to His Lordship the Chief Justice that no search warrant was issued with the warrant No 3 for the apprehension of Punjanadien, in consequence of its not being usual to issue separate search warrants when a party is to be seized on information, unless the property is supposed to be concealed in some dwelling place. In the present case the property stolen was ready money, and the peons were therefore ordered by the warrant to bring the stolen property with them, as it was likely to be found on the person of the party to be apprehended.

With regard to the warrant No 4, I beg to state that this a civil action might be brought against the parties named in it. I conceive them liable also to a criminal prosecution. The fact of absconding, after taking the advances, rendering them guilty of a Criminal offence.

I have the honor to acknowledge the receipt of your Letter to my address of the 21st Instant enclosing two Warrants under your signature and Seal, both of which were submitted yesterday afternoon for the signature under the usual authority of His Lordship The Chief Justice, who has desired me to acquaint you that he does not Conceive he would be justified in signing the said Warrants and authorizing their execution without satisfactory information on the following points—

Firstly with reference to the Warrant No 3 against Punyanadien His Lordship consider it as a Writ by which the person of that party alone could be legally taken and that to take the property alleged to have been stolen a search Warrant should have accompanied your Warrant No 3 directed to the same Officers—

Secondly, With reference to Warrant No 4 against Oppara Rauguen and Ragavun for having received an advance (amount not Specified in the Warrant) for work required to be performed and absconding to Madras without fulfilling the Contract, His Lordship desires me to submit for your Consideration whether the last mentioned matter is not a Civil instead of a Criminal offence and whether the most proper Course would not be by a Summons in the first instance previous to the issuing of a Warrant? or in case of the Course you have adopted shall have been taken under any particular Regulation applicable to a case of this Matter, I am instructed to request you will have the goodness to acquaint me, for his Lordships information, with the Regulation in point?—

From

Sir,

I have the honor to acknowledge the receipt of your letter of the 24th Instant together with a Warrant issued by you and in reply to acquaint you that I have not presented the same to One of the Judges of Her Majesty's Supreme Court at

Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that in the case of Process for the attendance of Witnesses, in all Courts shall be governed by the like rules touching expences and other matters as are established in regard to Subpoenas issued from such Courts.

Although I have been in attendance at the Supreme Court during the last 16 years, I do not remember a case occurring, in which a Witness has refused to attend without payment of his expenses, though they are lawfully demandable, such as are reasonable attended on coming, staying and returning as authorized by the Charter of the Court Page 57 whether such Witnesses shall be examined or not, the same to be paid forthwith by the Party at whose request the Summons shall have issued and if the said Sum of money so ordered and awarded shall not be forthwith paid Secured, the Party not only loses the benefit of the testimony of such Witness, but is compellable to pay the Sum awarded to the Witness. This is with reference to Civil Cases, in which under Circumstances, Witnesses at a distance are occasionally examined on Interrogatories under a Commission to some Party or Parties resident at the same place with the Witness or Plaintiff. But this power under the Charter is not extended to Criminal Cases to be tried before such Court.

The Law is in England, that the Sum tendered to a Witness for his expenses should be proportioned to his circumstances. Vol I Starkie on Evidence Third Edition of 1842 Page 78.

An attachment for Contempt will not be granted against a Witness except an affidavit of personal Service, and of payment, or tender of reasonable expences. 1 Starkie Page 80.

In Criminal Cases, by the same authority grounded on Statutes, the Witness is entitled, if in poor Circumstances not only to the foregoing expences of coming and returning but also for loss of time during which he is detained.

Under the foregoing, I am of opinion that you can have no power to examine a Witness in a Criminal Case, by a Commission from your Court on Interrogatories, though in a Civil Case I should incline otherwise. The only course therefore as I conceive, is to have a reasonable Sum tendered to him for his expenses in advance accompanied by an Offer to pay any difference that may be needed with the approbation of your Court, to be paid by Government if in a Case of Public Prosecution, or if a private one, by the Individual at whose instance the Witness may be summoned.

Sir,

I have the honor to acknowledge the receipt of your Letter of the 17th Instant, with reference to the Sheriff's to your address of the 9th Instant, and in reply to acquaint you that by the Sheriff of Madras from W. Lewis Esqr. Civil and Sessions Judge of Chittoor, that Gentleman stated as follows, with reference to the Course that is usually adopted in the Mofussil for securing the attendance of Witnesses.

"In all Criminal Cases batta is allowed, and "has been given to the Witnesses above alluded to" (they were invalid "Sepoys) at the rate of 2 Annas per diem, from the day they left "Madras, and also for their return thither, and during their "detention at this station," (Chittoor) which was unavoidably "prolonged owing to the death of the late Mahomedan "Law Officer." "In Civil processes the travelling expences "and subsistance of the Witnesses while in attendance to give "their evidence should be defrayed by the Party who requires "their testimony. But it is not always known whether they "will be forthcoming or what will be the eventual expense "of their coming to Chittoor, which will account for my not "at once sending the money for the expenses of a Witness "required to give evidence concerning a Claim to certain "attached property." The Party requiring his evidence has now

"not, and of that the more immediate and easy course of having it "examined on written Interrogatories, so that I shall give you "no further trouble in this matter."

I have given you the foregoing information, in the hope that if it does not prove useful on the present, it will do it on some future occasion and also in consequence of my having received this day a letter to the Sheriff of Madras from the Writer of Casavalou Naidoo whom you require, of which the following is a Copy.

I beg to add that were I to proceed to Palmanair and return therefrom it will put me to considerable expence and in order to avoid such expence and the trouble, I will thereby be put to notwithstanding the detriment of my business here, I consider it for my examination to the Police authorities here, where I shall be most willing to give my evidence, and at the same time, beg to state that it is (as I am informed) the invariable practice and it has often occurred in many instances for Magistrates at Outstations, with the view of saving Witnesses resident at this place the expense and trouble attendant on their being obliged to give evidence there, to obtain their testimony upon interrogatories forwarded to the Magistrates at Madras."
