No. 466.

Extract from the Minutes of Consultation Under date the 15th August 1853.

Read the following letter from the Acting Register to the Court of Sudr Udalut.

(Here enter 20th July 1853 No. 84)

Para: 1 Under the provisions of Section II Act VIII of 1852, the Right Honorable the Governor in Council approves the table of fees proposed by the Court of Sudr Udalut to be taken on account of the execution by the Sheriff of Madras of Mofussil Process under Act XXIII of 1850.

Names of Processes	Rates of Charges
Summons	2 Rupees
Notice	2 Rupees
Istevajanamah	2 Rupees
Proclamation	2 Rupees
Warrant	4 Rupees
Execution	4 Rupees

2. He also approves the rules for advertising Sales of property and for the recovery of the charges of such advertisements as proposed by the Judges in Paras 3 & 4.

3. In regard to the remuneration of the Sheriff, the Governor in Council directs that the fees taken on account of the execution of Mofussil Process be carried to the credit of Government, and that the Sheriff be allowed his present Salary until it shall be otherwise ordered.

Madras 20th July 1853

No. 84.

From,

A. J. Arbuthnot Esqre

Acting Register to the Court of Sudr Udalut,

To,

J. Pycroft Esqre

Secretary to Government in the Judicial Department

Sir,

1. Adverting to the Provisions of Act VIII of 1852, I am directed by the Judges of the Court of Sudr Udalut to submit for

for the approval of the Right Honorable the Governer in Council a Table of Fees to be taken on account of the execution by the Sheriff of Madras of Mofussil Process under Act XXIII of 1840 and of the Sums to be allowed for costs of advertisements or other notifications of Sales of property according to the amount of the Decrees to be satisfied by such sales.

2. The Scales of Charges which the Judges would recommend for adoption is annexed in the Margin. It has been framed after communication with the Court of Sudr Dewany Udalut at Calcutta and appears to afford an equitable rate of remuneration for the several processes which it includes. Judging however from the accompanying returns, with which the Court have been furnished by the Sheriff, prepared for the years 1850- 1851- 1852, and which at the rates of Charge now recommended would only give an average annual payment to the Sheriff of Rupees 655-5-4 the sums likely to be recovered by that Office according to the proposed Scale will considerably fall short of the monthly Salary of Rupees 200 now paid to him, and it will be for the Government to decide, whether he shall retain his present salary, or a part of it, or whether the salary shall be discontinued and the fees paid to him in lieu of it.

Names of Processes	Rates of Charge
Summons	2 Rupees
Notice	2 Rupees
Isteyarnamah	2 Rupees
Proclamation	2 Rupees
Warrant	4 Rupees
Execution	4 Rupees

3. In regard to advertisements of Sales of property, the Judges would recommend the adoption of the plan proposed by the Sudr Court at Calcutta which has been approved by the Most Noble the Governor of Bengal Viz.t that all sales of Property the estimated value of which may not exceed Rupees 500, should be advertised in the Verandah of the Supreme Court, and that sales of property above the estimated value of Rupees 500, and not exceeding Rupees 1000, should be advertised once in the Commercial Gazette, while for property estimated to be above Rupees 1000 in value, five advertisements should be allowed, the charges of such advertisements being recovered by the Sheriff from the proceeds of sale, and communicated by him to the Judge or other Officer directing the Sale, in order to their being charged to the judgment debtor as a part of the Costs assessed against him.

4 In the event of a party desiring a more expensive form, or a greater number of advertisements the extra charge should be defrayed by the party himself and the Sheriff might be authorized to resort to such special mode of advertisement on the amount of the extra charge being deposited with him.

The Puisne Justice, under the particular circumstances of the case, has signed the accompanying Notices - but he wishes the Collector to be informed that they are both informal, inasmuch as it does not appear in what capacity the Collector has issued the Notices, whether as a Court, a Judge, or a Magistrate (in the words of the act).

In the present instance the Puisne Justice, before signing the Notices, satisfied himself that the Collector, who issued them, is also a Magistrate; & in which last capacity he ought to have issued the notice.
