A black and white photograph of a heavily damaged, torn piece of paper. The paper is fragmented and stained, with several large holes and irregular edges. Handwritten text in cursive is visible on the paper. The top portion shows the word "Remark's" followed by some illegible text. Below this, the phrase "We found" is clearly visible. Further down, the word "personally" is written. The bottom portion of the paper is torn and crumpled, with more illegible handwriting. The overall appearance is that of an old, weathered document.
