(Circular) 1st The Right Honble the Governor in Council having considered it as indispensibly necessary, that a general and permanent rule should be laid down for the salaries of all writers properly so called in the different public offices at the Presidency, and that the system of sectioners which still prevails in a few of the offices at the Presidency should be abolished:- that the defects and increase of expense which the present variety in the salaries of different native Establishments tends to produce may be removed:- and further, is of opinion, that the accompanying scales of allowances proposed to be fixed in general for writers of the above discription and employing temporary writers as occasion may require, would not only be attend with several incidental advantages of considerable importance but that it would put an end to all rivalships between different Establishments.-

2d To enable me to report for the information of Government in what degree the result of the purposed arrangement would produce either an increase or a diminution of the expense now incurred;- I have to request that you will without delay be pleased to prepare and transmit to this office in the accompanying form, a Statement of all writers properly so called in your office for whom you may have constant Employment, including therein the number of Writers that may be required in lieu of Sectioners- as also a separate one of the native servants in your Establishment not properly writers;- as applicable to managers, Examiners, Record Keepers, Book keepers &c. whose services you may consider indispensibly necessary, and of the salaries which they severally receive -

Extract of a Letter from W. Secretary Hill to the Civil auditor
dated 13th October 1815

Para 6th The fixed rates of pay are intended only for Writers properly so called and not for Managers, Examiners, Record keepers, Book keepers &c. whose pay will Continue to be regulated by the nature of the duties entrusted to them, but whose numbers will be limited as much as posible -

The Governor in Council is of opinion that the lowest at least of the two following scales of allowances for an Establishment Consisting of ten writers is as moderate as is Compatible with the due encouragement of merit; and that the Scales may be applied to less extensive establishments by fixing the average pay at the same rates and by allowing the pay of no writer to exceed the highest rate or to fall short of the lowest fixed by them -

Writers	Pay		Writers	Pay

May 1816

Copy of a Notice addressed to the Sheriff by W. Jas. Morris Attyfor M: Mootoosawmy Moodelliar dated and Received the 28th day of May 1816

To the Sheriff of Madras

Sir

It is Represented to me that by Virtue of Process issued from the Supreme Court at the Suit of Moodookistna Naick against the property of Paupoo Naick and Singuree Naick, you have seized and are about to make Sale in part on this day, and in other part tomorrow, of a Garden at San Thome, and of a paddy field near thereto at aulwar Pettah as the property of the Defendants

In consequence I communicate to you and request you accordingly to take notice, that the garden to which I have first Reffered was at a time so long

Each

back as the 1st day of May in the year 1774 charged by way of Mortgage by Ramaputtera Naick the elder Brother of the Defendant Paupoo Naick, in favor of Nellatomby Moodelliar for securing 400 Pagodas and interest, to be paid in the month of May in the year 1776

and that after the last mentioned time, and also after the death of the Mortgagee Nellatomby Moodelliar, there were divers proceedings at Law as well on behalf of the Executors of Comaroo Moodelliar, as by Comaroo Moodelliar himself in his lifetime, in his right of Representation to Nellatomby Moodelliar but that any of such proceedings had not the effect either of obtaining payment of the Mortgage debt, or a Sale of the property

By an instrument in the malabar language made on the 4th day of June in the year 1812 Poombauvy annahsawmy Moodelliar, who as administrator of the estate of the Mortgagee Nellatomby Moodelliar, and of his Brother Comaroo, fully Represented them assigned the property above Reffered to unto myla Mootoo =sawmy moodelliar in consideration and on account of a balance due from the former to the latter

and afterwards by an agreement in the malabar language dated on the 24th June 1812 the original Mortgagor Paupoo Naick and also his Nephew (the other Defendant in the Cause now in prosecution) Singuree Naick, not only Recognized myla Mootoosawmy Moodelliar as the mortgagee by Assignment of the garden, but also, as a further Security for the original debt of 400 Pagodas and interest then due, charged by way of Mortgage Eleven Cawnies and a quarter of Paddy (which is hereinafter Reffered unto) is the subject (as a part whereof) of your advertisement for Sale tomorrow

I understand

By

By Virtue of these documents myla Mootoosawmy Moodelliar claims in himself, as Mortgagee, a title of a date long antecident to your Seizure of the property by virtue of the process under which you have advertized it forsale —

But in order to manifesting to you a more specifick nature of Claim as founded upon the original Mortgage title, myla Mootoosawmy Moodeliar has Tecently acquired from Paupoo Naick and Singeree Naick by two bills of Sale dated on the 22 instant, a Telease of the Equity of Tedemption as to all the property now claimed in Consideration of 506 Pagodas (part of the original debt as the price and value of the garden containing by more perfect admeasurement 6 Cawnies and 6 and a half grounds and of 295 Pagodas residue of the Mortgage debt which for these purposes has been considered as limited to the sum of 800 Pagodas as the price and Value of the Remaining paddy field at aulwarpettah containing 4½ Cawnies —

and Consequently to these documents perfecting his title myla Mootoosawmy Moodelliar considers himself as the absolute owner of all the property which this notice Concerns —

I have therefore to request that the Sale may not proceed (according to your advertisement) of the Garden or of the additional ground to which I have advertized as being in any manner the property of the Defendants Paupoo Naick and Singeree Naick or either of them —

Sir,

Para 1st I have the honor to Acknowledge of your letter dated the 19th Instant.

As it would appear that there exist unsatisfied claims on the ground in question on account of the public revenue, It appears to me that these must be satisfied preferably to all others, and that no writ of Sequestration or other legal process can supercede them: as, however, the preventing the trees being watered may damage the property, I will order it to cease, but it will be my duty to see that the demand on account of Revenue is liquedated from the produce or even by the Sale of the land should such procedure be necessary.

Sheriff of Madras

Honored Sir,

Hoping it will not be taken amiss, We have ventured to address you on the subject of the smallness of our Pay. — We made application to W. H. Kornell, last year on the same business, but in consequence of his quitting the duty of Sheriff's we was left without any satisfactory answer to our humble request, though he had promised he would use his best endeavours to obtain an augmentation of Pay for us. —

Sir, the Pay of the Office is only six Pagodas \ month, out of which we have to pay our Peon, one and a Half, which reduces us to Four and a Half Pagodas Monthly which is a very small sum to maintain a family with the fees of the Office is also very precarious and uncertain We therefore humbly beg you will be pleased to take our case into your consideration, and do what you may deem necessary in order to assist us. —

The Bailiffs on the Bengal Establishment have Seventy Rupees \ month, and though we never expect any such Pay here, we humbly hope we may obtain the same as the rest of the Police Constables, or any further increase as may be thought proper and you will confer a lasting obligation and favor on

Your very obed. humble Servants

Circular

To The Sheriff of Madras

Sir

* 1 Para. 1.st I am directed by the Committee for the Management of the Native Pension Fund to transmit to you an amended Form* of a Register, according to which you will be pleased to forward all future claims upon the Fund from your Establishment,

2.d The Committee request that these papers may be drawn up with attention, as the necessity of Returning for correction all Registers which are not properly filled up is productive of considerable trouble and delay which might be very easily avoided.

3. It is absolutely necessary that the information regarding the condition in which a deceased Subscriber has left his family should be as full and complete as possible. The intention of the Institution is to afford Relief in cases of indigence and absolute distress, and, where such are distinctly made out, the Committee will be careful to recommend the grant of assistance proportioned to the numbers, situation, and supposed exigencies of the Parties; but they can in no instance take into consideration claims unsupported by sufficient evidence of their being just and well founded; —

4.th However desirable such a measure may be, the Committee are aware of the impossibility, in many cases, of the requisite enquiries to ascertain this point being made personally by the respective Public Authorities; they therefore request that, where such personal investigation shall be impracticable, you will appoint † and depute a Committee of respectable Public Servants to examine minutely into the circumstances of Persons prefer-ring claims to Relief, and it will be necessary, except where the

enquiries

† see form of Commission annexed, No 1.

‡ Or your assis-tant, or Regis-ters, or an Offi-cer of your Department, (as the case may be.) § No 2

enquiries are instituted by yourself, & that all Registers submitted by you, be accompanied by a Certificate in the annexed Form, & under the signature of the Servants so delegated, —

5th The Committee have observed with satisfaction that the measures here directed has been in part followed by some of the Heads of the offices, and the information afforded in their Registers has been in consequence very complete.

6th Claims of children adopted by Portuguese, or Persons native born, are inadmissible; and although the Committee recognize adoption as conferring a claim in the cases of Hindoos and Mussulmans, you will be careful in ascertaining that such adoption has not taken place on the decease of a Subscriber with the view of giving the Widow a right to a Larger Pension than would otherwise be allowed to her. —

7th The Regulations of the Fund confine the grant of Pensions to the Widows and Children only of Subscribers —

8th In conclusion the Committee direct me to request that all Casualties on your Pension List may be reported to them with as little delay as may be practicable.

It appearing to me, that the present custom of addressing the Judges out of Court, by Petition is attended with many Inconveniences both to the Judges and the Parties themselves to the Judges, because they are drawn upon in a Language that is almost unintelligible and in most instances, represent an imiginary Case, very different from that which is the real Subject of Complaint, and to the parties, inasmuch as they occasion an unnecessary Expence, which can be ill born by Persons who are obliged to adopt that mode of applying for Redress; I do hereby Order that in future all persons who wish to make an Exparte Statement to the Judges, shall do so themselves by Word of mouth in Term Time in open Court, and in the Vacation, before the Judge on the days he attends at Chambers and in order to secure attention to such complaints, the

It is Represented to me by Suncoo Vencatachella Chitty that by Virtue of process of Sequestration lately issued from the Supreme Court in a suit pending in this said Court on the Equity Side, wherein Vencatalatchemie Ummah, as widow and Relict of Soorcarapooram Soobaroyloo Chitty is the Complainant and Suncoo Sashachella Chitty is the Defendant, you have sequestrated sundry houses Gardens and Grounds, the most part of which are in the possession

possession and the peculiar Property of Suncoo Vencatachella Chitty and to or in which Suncoo Sashachella Chitty has not any property or interest, - and also other property in which the Defendant Suncoo Sashachella Chitty has but one half share or interest, - and Suncoo Vencatachella Chitty has the remaining half share or interest, - undivided.

In wards the better Satisfying you of the Justness of this Assertion on the part of Suncoo Vencatachella Chitty, - and his Consequent Claim to an Exemption, altogether, of his peculiar property, and to the protection of his half share of the property wherein he is jointly and equally interested with his Brother Suncoo Sashachella, - from all Charge on account of the personal and seperate debts of Suncoo Sashachella Chitty, - I communicate to you, according to the instructions furnished to me on this occasion, - that on or about the first day of November in the year 1800 and in consequence of a Suit having been Commenced in the Court against Suncoo Sashachella Chitty and Suncoo Vencatachella Chitty by Rookeem ammah as the widow of their Brother S. Pedda Kistnamah deceased, and also in consequence of differences between Sashachella and Vencatachella as to the enjoyment of their common property, an agreement was entered into between Sashachella and Vencatachella whereby it was declared and (subject to the establishment of the claim of Rookeemammah) concluded, - that the dwelling house situated in Suncoo Namah Chittys Street at Mahratta Town, - and 5 china bazars and a small garden of the Parties situated at Tandiaswoodoo to the North of Narrapah Naicks garden, - and the remaining half (after deducting the half of China Kistnamah Chitty) of a garden situated in the Road leading

leading to San Thomé should be given to Soncoo Vencata=
=chella Chitty and that the Garden called Narranamahs
situated at Tandavadoo in the road leading to Cattewak and
another garden of the Parties, together with choultries
situated at Triplicane and also another garden situated in
the same place known by the name of Basseeve Garden,
should be allotted to the share of Soncoo Sashachella Chitty
and that the remaining lands Augraharams, Charity Choultries
and Gardens, and the affairs thereof should be inspected and
managed by the Parties jointly —

In Conformity with this agreement (as I am fully and
particularly instructed) all the Property to which it refers was,
on the same occasion, allotted to the Parties, - and was for all
time afterwards until the 20th august 1816, and since the last
mentioned date, hethento, has been, holden and enjoyed by the
parties separately according to the tenor of the agreement, - and
on the last mentioned date, and in consequence of the suit
against the Parties by Rookeemammah having terminated in
their favor, - they entered into, executed, and exchanged, a Regular
deed of partition of which (as translated by the Court Interpreter)
I furnish to you a Copy at the foot of this notice —

From this transcript, and from the recital which
I have given to you of their former Agreement in 1800 you
will readily distinguish the property which is claimed
to belong to Vencatachella solely and peculiarly, - and that,
wherein, for the purposes of charity, he and his Brother have
yet a Common interest —

I request, therefore, that in so far as the peculiar property
of Soncoo Vencatachella Chitty may be concerned and also

as far as may be with respect to the joint property, yourself
may be forthwith removed and particularly that all the
personal effects, consisting of household furniture &c belonging
to Soncoo Vencatachella Chitty in his dwelling house in

Sir,

In reply to your letter to me of the 12th instant,

which you have Seized in execution by Virtue of a Writ of

is the only surviving Son of Singanah Deceased,- yet that
there are five Grandsons now living of Singanah deceased,-

who-

who are jointly intitled with Singanah the present Claimant to participate in the family Property; - and that of those Grandsons, the Defendant Ramasawmy is one - and that the Defendant Ramasawmy is, with his two Brothers Goorroosamy and Ragavooloo, intitled to a third part, undivided, of the dwelling house under seizure -

On behalf of Chensook Lalah, I therefore request; - not only that you will proceed to the Sale of, and will sell, one equal Ninth part or share undivided (as the property and interest of the Defendant Colla Ramasawmy Chetty) of the family dwelling House which is already under your seizure and Charge, - but that you will, in further execution of the Writ of fiera facias now holden by you, - sequester in the hands of Colla Singanah Chetty and also in the hands of Colla Peddasawmy Chetty and Chinnasawmy Chetty as sons of Vencatachella deceased who was the eldest son of Colla Singanah Deceased; and likewise in the hands of Colla Goorroosamy Chetty and Ragavooloo above named, - all the property share interest and rights in and to which the Defendant Colla Ramasawmy Chetty may be interested or intitled, as Grandson of Colla Singanah Chetty deceased, - or as a Member of one family, with the Persons who are above named as the other Descendants of the elder Colla Singannah Chetty. -

To William Brown Esqr. — Colla Ramasawmy Chitty

Sheriff of Madras

Sir,

In respect to the execution of the writ of fieri facias now in your hands which was issued in this Cause against the property of the Defendant, I have received your letter dated the 20th. instant, wherein you inform me that in Consequence of my delaying to reply to your former letter of the 12th. instant, which Communicated the receipt by you of a Notice from Mr. Orme as attorney for Colla Singanah Chitty, - You had removed your Seals from the premises which you had theretofore seized - And that you had then, - (viz.) on the 20th. instant, - received my former letter to you of the 17th. of the present month - And whereby you offer a recommendation that I should point out to you other property which might be more conveniently and more justifiably seized and Sold, than the immediate and actual dwelling house of the Party -

Now, Sir, I beg leave to apprize you that I Considers it my duty to my Client the Plaintiff in this action, to insist that the writ of execution which is now in your hands be executed; - It matters little that my reply to your first Communication, which you have acknowledged on the 20th. - was delivered to you (as I am prepared

prepared to prove) on the 17th. instant, - but it matters much that you have liberated property already seized by you, upon a bare claim by a third Party, - without (as I at present understand) having taken any measures to satisfy yourself of the justness of that claim - And having yielded, only, (as I infer from your letter of the 20th.) to a Consideration which you term as one of Convenience but to which, in my judgment, not the slightest weight is due, for, if the immediate, and actual, dwelling of the party, be not a fit object of seizure under a writ of fieri facias, - I know not what property is so -

On behalf of the Plaintiff, I have therefore to require that you do hold under Seizure, - and do sell, - that particular property and interest of the Defendant which has been explained to you by my letter of the 17th Instant, and also sequester all the other rights of the Defendant to which by that letter I have referred -

And I request you distinctly to understand, that if the return which you shall make to the writ of fieri facias be not accordant with these, and with my former instructions, an action at Law for a false return will immediately be commenced and prosecuted against you -

and I am Sir

Your very Obedient Servant

I beg leave to inform you, that in consequence of the crowded state of the Gaols under my charge at this period, beyond any former Example, I have found it absolutely necessary to provide for the cleanliness and health of the Prisoners, by engaging the following additional attendant Servants Viz.

1 water woman	at 30 fanams per mensem	L
1 Sweeper	at 24 fanams	L
1 Totty	at 40 fanams	L
total per mensem	2 Pagodas 4 fanams	

which will be considered only as a temporary charge from the 1st. of the present month until the number of prisoners, amounting at present to one hundred and Eleven in the two Gaols, shall be somewhat reduced.

I beg leave also to state that it has hitherto been the practice to employ one of the peons in the respective gaols, to undertake at the same time the office of Massaljee, for lighting the gaols and attending to this duty during the night, but, as I conceive this branch of attendance in the Gaols to be important to the security of the prisoners; as much as to general convenience, and I think it quite irregular to designate a Servant for one duty and to employ him in another,

I have deemed it expedient to entertain two people as Massaljees from the 1st. Instant, at 2 Pagodas each per mensem and to restrain the peons to their particular duties as such.

Revenue Department

To W.m Brown Esquire

Sheriff of Madras

Sir,

Para 1st. I have the honor to acknowledge the receipt of your letter of the 15th Instant —

2. The Notices therein mentioned it has been customary for a considerable time paped to publish at all sales of real property ordered by the Supreme Court, whether conducted by the Sheriff or their other officers, and hitherto without objection:- it generally happens that the same Causes which have led to the seizure and sale of such property lead, also, to the accumulation of an arrear of Quit-rent, especially as it is the general practice of this Office not to inforce the payment of this demand while the right to the ground on which it is due is the subject of litigation: if any arrangement could be made by which the arrears, so accumulating, should be paid, either from the proceeds of the Sale, or by the purchaser before the property is delivered to him, I would willingly accede to it, as the best means of securing the revenue. —

3. Should it be found that an arrangement of the nature here alluded to cannot be made, I do not consider it consistent with my duty to abondon the practice that has hitherto obtained: the claim of Government to the public revenue is paramount to all

other

and cannot, as the law exists, be affected by any proceeding in the Supreme Court and the publication of these notices is necessary both to establish this claim and to make it known to the purchasers of sequestered property, who might, otherwise justly complain of the demand for a large arrear of quit rent being enforced against them

4th. To prevent, however, the appearance of any interference with the authority of the Sheriff which on every account I must be anxious to avoid, I will direct that for future these notices shall be communicated, previously to publication, to the Deputy Sheriff, or any other person who may attend the sales on your account, but I consider it essential that the publication should be made by the Officers of the Revenue Department. —

I have the honor to be

Sir

Collector of Madras —

Sir,

I have had the honor to receive your letter of the 25th Instant, and am obliged to you for the information it conveys, and beg leave to assure you, that I agree perfectly with you in the general reasoning it contains —

I conceive the step you propose to take, as stated in the fourth pragraph of your letter, in regard to these notices in future, will obviate the dilemma Complained of in my last,

last; and it is my intention to make publicly known, the moment your information reaches the Sheriff Office, the Amount of the Government dues to which the land proposed for Sale may be declared liable. — The Sale of a spot of Ground was, the week before last, completely put a stop to, Owing to the exhibition of One of these Notices from your office; the question coming too abruptly upon the Bidders, and deterring them from making any offers —

To the Sheriff of Madras

Sir

It is represented to me that a dwelling house in Coral Merchant Street belonging to and occupied by Cotta Talesinga Chitty, and also sundry articles of furniture, wearing apparel, and other effects, contained in it, have been seized and Sealed by you as the property of Cotta Narrain Sawmy Chitty by Virtue of process issued from the Supreme Court at the suit of Patchyappah Moodelliar —

And in Consequence, and according to the instructions given to me by Talesinga Chitty I inform you that not only the dwelling house, but also the effects in it which you have so seized and sealed, belong entirely and exclusively to him, and not in any part, or as concerning any interest to the Defendant Narraina Sawmy he a Cousin of Talesinga Chitty; yet that an effective division between them as respecting Community of estate took place on the 6th September 1814, on which day an acquittance in the malabar language (which is now ready to be produced to you) was, in consideration of a Sum of money paid to, and as the full Share of Narrain Sawmy, executed by him and delivered to Talesinga Chitty —

And as your seizure of the dwelling house and other property has occasioned great inconvenience to

to Talesinga chitty, I request that your possession and Seals may be removed with as little delay as possible

(Circular)

In obedience to the directions conveyed in
M.r Secretary Hills letter to me of the 24.th ultimo—
I have the honor to forward for your information the
accompanying Extract of a letter from that gentleman
of the 13.th October 1815 and to acquaint you that the Right
Honorable the Governor in Council has been pleased
to resolve, that the Salaries of all the Writers properly
so called in the Civil Offices at the Presidency shall
for the present be fixed at an average of ten Pagodas
each per Mensem, according to the rates laid down
in the lowest of the two Scales submitted with my
letter to you of the 31.st October 1815 until it be found
from experience that the Contingent Expense which may
be expected at times to be incurred on account of
Temporary writers in consequence of the reduced number
of writers proposed to be employed in those offices
which have hitherto employed Sectioners have been
over estimated when the Governor in Council will be
ready to raise the General Scale of allowances &c.a

As the new arrangement is to take effect
from the 1.st May the beginning of the ensuing official
year - I have to request that you will regulate
the

the salaries of the writers in your office from that period accordingly; - and transmit to this office your Indent for that month wherein you will exhibit a separate total of their Expence with the view to have it checked and passed for payment on the Sub Treasurer

Extract from a Letter of W. Secretary Hill to the Civil Auditor dated 13.th October 1815

Para 2.

The present variety in the salaries of different native Establishments must be unjust, when the duty of merely Copying which they have to perform is precisely the same, and it is always on a Comparison with the allowances of some other Establishment that every recommendation of higher allowances is founded, so that the variety has also a Constant tendency to produce an encrease of expence.

3 Fixed rates of pay would moreover be attended with several incidental advantages of Considerable importance, all rival ship between different Establishments would be at an end, in encreasing or reducing the pay of writers, each Establishment at the Presidency would be a check on all the rest

rest and would be checked by them, the Government would be relieved from all difficulty in fixing the Expence of any new Establish=ment, the hopes of the writers that their pay may be encreased through the favor and influence of their immediate employers being restrained, they would not be so likely as at present to incur debt under the delusive idea of being able at some future period to discharge it.

4 Other advantages would result from an established gradation in the rates of pay as the prospect of promotion would tend to improve the qualifications, and good conduct of writers and the power of supercession would enable the Heads of offices to inflict the most appropriate and effectual punishment for negligence or misbehaviour

5 The proposed arrangement will destroy the System of Sectioners which still prevails in a few of the offices at the Presidency, but the Governor in Council is satisfied that the defects of that system greatly out weigh the advan=tages by which it was supposed to be recommended, and that its advantages may be secured by the arrangement to be substi=tuted for it. Its defects are that it tends to produce, and has produced a very slovenly and incorrect mode of Copying, that the fixed writers accordingly write a great deal better then the Sectioners although they Cannot earn so high wages, and that it leaves great room for fraud in distributing the work to be done among the Sectioners, in estimating the merit of its execution and in paying the Sectioners for what they do. It is evidently much more difficult to estimate the neatness,

Correctness

Correctness and Compactness of writing, then to ascertain that the writers are in attendance, and this difficulty Constitutes the origin of the chief defects of the Sectioner System. It may also be doubted whether a System, which in sickness deprives a public Servant of his whole subsistence and which sets a value on nothing but the celerity with which his task is executed, be deserving of support. The only advantages imputed to the Sectioner System are — 1st that, under it, writers are paid only for what they do, an advantages which may be secured under any System by merely keeping a Register of what is done, and 2nd only that, under it, the extent of the Establishment in pay is always exactly Commensurate to the extent of the business - This last Circumstance is often productive of much hardship when a great portion of the Establishment is left without employ but in as far as it prevents unnecessary expence the same advantage may be secured by keeping the fixed Establishment on a low Scale and employing temporary writers as occasion may require -

6th The fixed rates of pay are intended only for writers properly so Called and not for managers, Examiners, Record keepers, Book keepers &c whose pay will Continue to be regulated by the natures of the duties entrusted to them but whose numbers will be limited as much as possible."

And I disclosed to you by that Notice not only that the Defendant Narrain Sawmy Chetty had no actual, - or right of - residence, - but that he was wholly unconcerned with, and uninterested in the house, and all which it Contained

It is represented to me that the inconvenience which your Seizure and detention of the private property of Cotta Salesinga Chetty has occasioned, has been great - and my Client has been sorry to observe that the former Notice on the occasion addressed to you on his behalf has been wholly disregarded.

But as he cannot longer submit to your interference with and detention of his property, and

To the Chief Secretary of Government

Sir

One of the officers of the Department under my direction, by name Robert Brooman, enjoying the situation of Constable in the office of the magistracy of Madras, which prevents his attendance at my office; I have deemed it improper he should any longer continue to draw pay, where he does no duty to earn it. I have therefore thought proper to discharge him from the Sheriff's office, and the pay of six Pagodas per mensem hetherto enjoyed by him. I take the liberty to recommend being divided

divided amoungst the remaining four constables attached to the Sheriffs office and who do the duties as required of them—

I am induced to make this proposition in favor of these men, from the inadequacy of their present pay and from the comparison made with this description of public officers attached to the Police department, as well as to that of the Magistrates; who are in the receipt of Ten Pagodas per mensem, whilst their duties are by no means more severe I shall on the same principle venture to recommend, that in addition to the six Pagodas so distributed, the Right Honble the Governor in Council will be pleased to permit the further sum of Ten Pagodas per mensem, making it altogether sixteen Pagodas to be granted to them, which will yield them Four Pagodas additional pay each, and place them on a footing with the Constables in the other coresponding departments—

Copy of a Notice addressed to the Sheriff by Mr James Morris Atty for M. Moodookistna Moodelliar dated 18th Nov 1817

To the Sheriff of Madras

Sir,

In Consequence of your advertisement as published in the Madras Papers, that on Wednesday the 19th day of the Present Month of November would be sold, as the property of Moodeen Saib, under process from the Supreme Court issued at the suit of Annasamy Moodelly a large Garden situated at Vestnampettah in the districts of San Thomé between the Gardens lately occupied by Sir Henry

Henry Gwillim and Theertavareesvarer Pagoda Measuring 11 Cawnies and 17 Grounds or thereabouts, I communicate to you, in Conformity with instructions given to me by Manaly Moodookistna Moodelliar son of Manaly Chinnah Moodelliar Deceased, that, on the 28th day of November 1808 a Bond for Securing the principal Sum of 2000 Star Pagodas and interest at the rate of 12 Pcnt per Annum was executed in favor of Manaly Chinnah Moodelliar in his life time by Yusuf Audul Khan Grandson of Dubbagheere Saheb, and Syed Mohead-deen Saheb and Syed Nugeenaddeen Saheb Sons of Syed Mohammed Ameen and Grandsons of Syed Abdul Wahab- and that at the same time and by a deed poll of even date, the Obligors in that bond charged by way of Mortgage in favor of the Obligee certain Grounds which were the property of Yusuf Audul Khan, and also the Garden which you have now advertised for Sale, and which was the property of the other parties Obligors, of whom the Defendant Moodeen Saheb is one.

An action on the bond was Commenced by Manaly Chinnah Moodelliar in his life time and was prosecuted by him to a verdict of the Supreme Court, but he having died shortly thereafter the Judgement yet Remains to be entered at the Suit of his Representatives

The Bond having been proved in the Supreme Court is yet lodged in the Office of the Prothonotary of the Court but the instrument of Mortgage Charge, for several years past has been and yet is in my possession Ready to be produced to you

And by it the Garden Now in question is

Mentioned

Mentioned by the name of Munja Colly and as containing 12 Cawnies 17 Grounds and 890/10 Square feet and a quarter One Cawny having been, since the Mortgage (as I am instructed) for some purpose or other disposed of the Remaining Ground may be Considered as of an admeasurement Corresponding with that which you have specified

Independently of the mortgage charge you will perceive that the title to the property is to be but partially in the Defendant Shoodeen Saib.

But in respect to the joint property of that Defendant, and of his Brother Syed Nujeemuddeen Saib, the whole legal title is claimed by the sons and Representatives of Nanally Chinniah Moodelliar, by whom that title will be abandoned only on satisfaction to them of the mortgage debt and Costs incurred at Law and—

To

The Honorable Sir John Henry Newbolt Kt.
Chief Justice and the Puisne Judges of the
Supreme Court of Judicature at Madras

My Lords,

I take the liberty of bringing to your Lordships Notice that the Fees of the Sheriff Office have continued to decline gradually for many years past and are now so much reduced as to render the Office scarcely worth holding.

The enclosed exhibit will shew your Lordships that in the last three years the total Amount of Fees received by the Sheriff is Pagodas 2733 being on an average Pagodas 75 Monthly which with the Salary of Pagodas 100. has given the Sheriff Pagodas 175 Monthly. The pay of a Magistrate is Pagodas 350 and when the heavy responsibility of the Sheriff Office is considered, I submit to your Lordships in how far it is reasonable that he should be worse paid than the others.

Having thus stated the ground of my pretension I trust your Lordships will revive the Table of Sheriff Fees, and I beg leave humbly to suggest that on Executions 5 ℔ Cent shall be allowed on the whole Amount, that on a case of Summons two Pagodas shall be allowed instead of two Rupees - and on Mesne Process, when executed, 2½ ℔ Cent shall be the Sheriff fee - These particulars however your Lordships are best fitted to Judge upon.

I have the honor to be,
Sirs Lords,
your Lordships most Obed.t &
very humble Servant

Sir

At the establishment of the Recorders Court in 1798 the Salary of the Sheriff was fixed at Pagodas 100 monthly, placing him upon a footing with the Magistrates of that day who also received one hundred Pagodas monthly—

Since that Period the Pay of the Magistrates has been encreased first to Pagodas 150— and lately to Pagodas 350 per mensem while no addition has been made to the Pay of the Sheriff

The fees of the office have also decreased greatly, and have

have not averaged in the last two years above Sixty Pagodas monthly—

Under these Circumstances I am Induced to Submit the matter to the Consideration of the Right Hon.ble the Governor in Council praying that the Sheriff may be allowed a Salary which may place him on an equality with the Magistrates as in 1798 and which may recompence him in Same degree for the heavy Responsibility attached to his Office—

and further praying that the Pay of the Deputy Sheriff may be also encreased being at present inadequate to recompence him for the Intelligence and zeal he has always displayed in the discharge of his important duties—

of Condagadala Sashachella Chitty; Pattaby Ramadoo Chitty; Runganaiccoloo and Seenevasa Chitty; a Representation has been made to me, in order to my communication to you; - and I request you, accordingly to take notice, that the grounds houses boutiques and other buildings, and also the materials, which are in Condoo Chitty Street, and near the armenian Church; are claimed by the wardens of the armenian church to belong to them; the whole of that ground having been, by an agreement entered into so long back at the year 1783; demised to the ancestors of the Defendants; against whose property your seizure was intended; for building purposes and for a term of years which expired in the year 1818. —

Previously to your Present seizure the occupiers of the ground to which I have reffered, received notice from the armenian church wardens, to quit their occupation and deliver up the whole of the property, at an early period; and on behalf of those claimants to the ground and building I request not only that the Sale which you have notified may not take place of that part of the property seized but also that your possession of it may be withdrawn —

To the Sheriff of Madras

Sir

It is represented to me that by Virtue of a Writ of Sequestration which has issued from the Supreme Court in a Cause on the Equity Side wherein C. Ramasawmy Chetty Krishnamah chetty is the Complainant and Abdul Khader Sapperjee and others are the Defendants you have affixed your Seals upon the outer Gate of a Compound wherein are several Godowns belonging to or occupied by divers Persons —

By the instruction of Taheer saib a Merchant of Madras, I communicate to you that he is the Tenant of one of these Godowns - and that in the Godown rented by him are Contained Articles of Merchandize of his private property (and not any property of any of the Defendants in this Cause) from the access to which he is entirely precluded by the Seals which you have affixed - And that it is expedient for his interest that this Merchandize should be immediately removed in order to Certain portions of it being transported for Sale beyond Sea - and also that Certain papers of which he has been deprivate by the affixing of your Seals are immediately required by him for purposes to which they relate —

On behalf of Taheer Saib I therefore request that your Seals, in so far as they interfere with the possession and disposal by him of his own property may be removed —

It is explained by him that the Godown Containing his Goods and papers is at the North east Corner of the Compound — and that as he believes the Godown itself does not belong to all or any of the Defendants in the Cause above mentioned —

Sir,

I am induced by a consideration of the very heavy duties required from the Native Troops at the Presidency, to request that you will be so good as to acquaint me whether it may not be practicable to dispence with the services of the Military guard at present stationed over H. M. gaol. —

If the charge which is now devolved upon this guard could conveniently be intrusted to Peons, the withdrawment of the Sepoys would be an essential relief to the Military duties of the Garrison —
