Madura Mootoo on Solemn Affirmation States —

I am a Police Duffadar Major Stationed at Her Majestys Grand Gaol in Madras on the evening of Monday the 15th instant about quarter past 6 o'Clock I returned to the Jail with Mr. Gibbs the Jailer from the Supreme Court where we had attended on business about half an hour afterwards I saw one of the Prisoners of the Name of Gaudoin Committed on the 4th August for want of Sureties to Keep the peace towards his wife for 12 Calendar Months, in the Custody of a Peon Named Veradawmy and a Lance Naigue Named Syed Hoosain out side the first Gate of the Jail One of the Court of the Jailer and a Servant of this named Yagon were with them at the time I asked the Prisoner how he came to be out of the Jail he did not give me a direct answer, but desired me to call the Jailer who was then in the Criminal Side, at the same time the Jailor Came up, Spoke to him in English which I do not understand, and took him in — The Peon Veradawmy who was on Parrah at the first Gate, said that he had allowed him to go out under the

[illegible]

supposition that he was a Padree who Occasionally Visits the Gaol Prisoners, but that he had immediately suspected him from the Manner of his Walking, and Seized him with the Assistance of the above said parties. Another Peon named Chellamoothoo who was on parrah at the East side, between the walls, stated that he had allowed the Prisoner to pass him as he took him to be one of the Visitors. Another Peon named Soottankhan who was on parrah at the first Wooden Gate in the Criminal Side, through which the Prisoner Must have passed, made the same execute as Chellamoothoo, and another Peon named Sheik Ally who was on parrah at the Iron Gate Close to the Stair Case in the Criminal Side through which the Prisoner Must have first passed immediately after he Came down Stairs, said that Shortly after the Jailor went into the Criminal Side the Prisoner Came with a book in his hand and asked him to open the Gate, and that he had done so, believing him to be a Padree — The Jailor was present when the Peons made these several statements. The Peons Sheik ally, Soottankhan, and Chellamoothoo, were transfured to the Jail only on the 2d Instant the other Peon Veradawmy was sent there on or about the first day of the month of August last. The Prisoner Gaudoin is not like others in the habet of walking down Stairs he always remained upstairs — there is no Cause to Suspect — that the Peons have been in any way tampered with by the Prisoner —

Yagon on his Solemn Affirmation States —

I saw a book in her Majestys Grand Gaol, and have been so employed for a length of time — The Prisoner Gaudoin has been in the Criminal Side of the said Jail for the last two months — he is kept upstairs — On the evening of monday last the 15th instant about 5 o'Clock I was sitting with one of the Sons of Mr. Gibbs the Jailor on a pail out side the first Gate of the Jail, when my Companion William Gibbs observed that the madman, Meaning the Prisoner Gaudoin, was going out, I immediately turned round and saw a Man walking fast within the Compound of the Jail but I was unable to make out who he was, at the same time the Defendant Veradawmy, who was then on parrah at the first Gate called out to him "Bavah" "Bavah" but he did not stop — I then Suspected that he was the man and pursued him my Companion William Gibbs followed me we stopped him immediately after he passed the rail door facing the rounds, looked out at his face and Recognized him to be the prisoner Gaudoin — the Peon Veradawmy then came up we told him — that the man was a Prisoner in the Criminal Side, Seized him by the hand he (the Prisoner) disengaged his

his grasp saying that he was a Passenger, and that the Prisoner we Meant was in the Jail. and immediately afterwards he said that he had been released as his time was out a Lance Naigue of the Jail named Syed Hoossain then came and assisted the Peon in taking the Prisoner back to the Jail. I did not see him get out of the Gate - he was at a distance of about 5 or 6 fathoms from the first Gate of the Jail - when I first saw him, he had his hat on, and a book in his hand. It was then getting dark, he always remains upstairs in the Criminal Side - he is not in the habit of Coming down Stairs, he Appears to be a mad man, and therefore we call him mad -

1st Defendant Sheik Ally States -

I am a Police Peon, on the 2d Instant I was transferred to the Grand Jail and placed at the Criminal Side - On the Evening of Monday last the 15th Instant, about 6 o'Clock, I was posted on Paurah at the Iron gate, Close to the Stair Case in the Criminal Side about quarter of an hour afterwards, the Jailor went into the Criminal Side soon after this, an East Indian, whose name I do not know Came down well dressed, and with a book in his hand; I asked him who he was, he said "Padre," I thought he might have left the Prisoner in Consequence of the Jailor having gone there and let him go - about 7 O'Clock I was given to Understand that, a Prisoner had made his escape and immediately afterwards the Suspected Padre, was brought in I then recognized him to be one of the Prisoners - I saw him twice before, but not in the same dress -

2d Defendant Soottaukhan States -

I am a Police Peon I was also transferred to the Grand Jail on the 2d Instant - On the Evening of monday the 15th Instant about 6 O'Clock I was placed on Paurah, at the 1st wooden Gate in the Criminal side of the Jail. About half an hour afterwards, the jailor went into the Criminal Side, two or three Minutes after this, an East Indian whom I never saw before, Came up to me from inside with a book in his hand I asked him who he was, he Spoke in English which I do not understand, I took him to be a Padre, and let him go - shortly afterwards he was brought back to the jail, when I came to understand that he was a Prisoner --

3d Defendant Chellamoottu States -

I am a Police Peon, I was transferred to the Grand Jail on the 2d Instant, when I was placed in the debtors side - On the Evening of Monday last the 15th Instant about 6 O'Clock I was posted on Paurah at the East side, between the walls - about half an hour afterwards, an East Indians whom I never saw before

before, came from inside, with a book in his hand, he was well dressed, I asked him who he was, he said that he had Visited Some of his people in the Criminal Side, I took him to be a Visitor, and let him go - Shortly afterwards he was brought back to the Jail, when I understood that he was a Prisoner -

Lt. Defendant Veerasawmy States -

I am a Police Peon I was transferred to the Grand Jail on the 1st day of the month of august last, from which time I have been placed on the debtor's side - On the Evening of Monday last the 15th Instant, about 6 O'Clock, I was posted on Paurah at the 1st Gate of the Jail about half an hour afterwards, a water braman attached to the Debtor's side came from inside, I opened the Door, to let him out - when an East Indian whom I never saw before, followed him, he was well dressed, and had a book in his hand, I asked him who he was, he made no answer, I seized him by the hand, he disengaged my grasp, and Continued to walk, I called out to him "Bavah," "Bavah," he began to walk fast which made me suspect that he was a Prisoner; I pursued him, the Witness Yagan, who is a Cooke in the Jail, and one of the Sons of the Jailor, also Came running, we stopped the man just as he was passing the Rail door facing the Road - Yagan and his Companion told me that he was a prisoner of the Criminal Side - I seized him again by the hand he disengaged my grasp as before, and said Something in English - a Lance Naigue of the Jail Named Syed Hossman Came to my assistance, we took him back to the jail -

To

the Sheriff of Madras

Sir,

I Respectfully beg leave to submit for your kind consideration that a journey of four miles up to the General Police Office, whenever there may be occasion for complaint being made against any of the Peons employed at the Gaol, and the having to wait there, probably until the very last case for that day's hearing, moreover, as the distance, there and back again, precludes the supposition that a person should be able to walk so far in the heat of the day, it necessarily entails an expence of from One to One and a half Rupees for palankeen hire depending upon the length of time he might be detained there. The palankeen hire seems to me very like as if I myself were fined for reporting a Peon, and seems rather intended to deter a person from, instead of inducing him to, keep a sharp look out.

I humbly beg to suggest that a weekly visit, by the visiting Magistrate, who might adjudge in all cases of complaint against the Police Peons, would be the best way to relieve us from this disagreeable duty.

I beg leave to be

Sir

I believe you are aware of His Lordship Sir William Burton's directions yesterday that the Court should meet this and every subsequent Morning during the present Sessions at 9 O'Clock, and that the several Prisoners for Trial in my Custody should be brought up accordingly.

To comply with the said directions with punctuality and to aid Mr. Gibbs the Gaoler in the performance of his duty I last Evening took the precaution of communicating with and requesting Mr. Constable Miller to give instructions to the several European Constables and Peons furnished by your Department to be in attendance at the Gaol by ½ past 6 O'clock this Morning in order to secure their presence in a body by 7 O'Clock to proceed with and aid Mr. Gibbs in charge of the Prisoners from the Gaol to the Court.

I need not press on your Consideration the importance of the needed assistance where there is so large a body of Prisoners to be guarded.

The Gaoler has brought to my notice that only one of your Police Peons was in attendance at 20 minutes to 8 O'Clock when he was obliged to start the Prisoners for the Court House in the greatest hurry and confusion and that only 8 Peons 2 Taliars and 1 Sais joined him on the Road and even so late as ½ past 9 O'Clock he observed a very scanty attendance of Peons in Court.

I trust you will have the goodness to enquire into this neglect of duty as it is one by which the escape of the Prisoners from my Custody is rendered a matter most easy of accomplishment and that you will kindly give the requisite peremptory orders on the subject to prevent a recurrence of this neglect in future.

No. 68 dated 18th June 1850.

With Reference to your letter as per Margen, I have the honor herewith to forward a Plan, Section, and Elevation, with details on large scale of the Drop in use at the Grand Jail of this Presidency for the Execution of Criminals.

Para 2. I beg to observe that the Plan and Section alluded to, do fully describe the work in question, that I consider it quite unnecessary to forward a working model of the same, which would not only be inconvenient to despatch, but difficult and troublesome to execute, on a Convenient scale.

Para 3. I am under the impression that a plan, such as that herewith sent, with details &c., is far preferable to a model to work from, and I am Convinced, that for that purpose, an Artificer who understands both, or either, would prefer the former, as his guide.

Para 4. Should however the details, as shewn on the plan, not be sufficiently Explicit, or should the Sheriff of Calcutta require any further information with Regard thereto, I shall be happy to afford such on hearing from you to that effect.

The Plan will reach you by Banghy, as that is the only mode by which it could be now conveyed, as the next Steamer from England will not be here before the end of the Month.

I had the pleasure of Receiving your letter of yesterday, accompanied by your Plan, Section, and Elevation with details, of the Drop in use at our Grand Gaol, and beg to offer you my best thanks for the expeditious and kind manner in which you have afforded me your assistance in the Matter.

The Plan in question is remarkably well prepared, and the explanations so clear, that I perfectly coincide in opinion with you, that it will be found equally instructive, (if not more so) to the artificers, who may have to construct a similar one in Calcutta, as any small working Model could be, apart from the difficulty, trouble, and delay in getting one made; and the inconvenience in forwarding the same to Calcutta.

To make matters more plain to the Sheriff of Calcutta I purpose forwarding to him a copy of your letter of the 1st Instant together with the plan, which I am sure will prove most satisfactory.

I am directed by the Deputy Governor of Bengal to request that you will procure passage hence to Van Diemans Land, per "Royal Saxon" for four European Prisoners, now in the Calcutta Great Jail under Sentence of transportation to that Colony.

2 You are requested also to stipulate with the Agents for the said Vessel that She shall touch at Madras, and embark any number of Convicts which that Government may have awaiting transport to the same place.

3 As the total Number of Convicts is not likely to be large, it will probably not be necessary to send a guard with the Prisoners, but your agreement with the Agents of the "Royal Saxon" should provide for such a contingency in case the Madras Government should think a guard needful

To
Major General the Honble
Sir John Hunter Littler K.C.B.
Deputy Governor of Bengal.

Honble Sir

I have the honor to acknowledge the receipt of Mr. Secretary Grant's letter No. 1071 dated the 20.th Instant, and to state that I have engaged a passage on the ship "Royal Saxon" to Van Diemans Land for the four European Convicts now here awaiting transportation to that Colony at the rate of 500 Rupees for each man. The Agents of the Vessel having agreed to allow her to touch at Madras to take up any Convicts who may be in the Jail there, on

on the same terms. No definite arrangement have been made with regard to them, in the event of there being any Convicts at Madras, when the "Royal Saxon" arrives there, it will be necessary for the authorities at Madras to see that the Prison on board is sufficiently large for their safe Custody and that the necessary quantity of provisions &c. is laid in for their consumption during the voyage. A statement of the daily rations according to which the Convicts are to be messed is herewith forwarded for transmission to Madras and provisions according to it, will be put on Board for the four Convicts to be embarked from hence.

2 The Agents of the "Royal Saxon" have also been informed that in the event of the Madras Government embarking a number of Convicts, and in that case considering it necessary to send a guard with them, they must provide a passage for them on the terms on which they offered to do in their letter, Viz 200 Rupees for each man including provisions &c., and 800 Rupees for an officer should one be sent with the guard.

I have the honor to be &c.

To Sir. H. C. Montgomery Bart

Sir

I have the honor to request you will bring to the Notice

notice of His Excellency The Right Honorable the Governor in Council at your earliest convenience, that the Ghurry which was supplied for the use of Her Majesty's Gaol on the 13th June 1843 was forwarded to me yesterday in an unserviceable state, by the Keeper of the Gaol, the same having broken into two parts, while one of the Prons was striking the hour, and that on my examination of the Ghurry, it appeared evident to me, that the breakage had occurred in consequence of the whole metal not having been well united when made and an evident separation, or internal crack, of old standing.

As a Ghurry is of great use in the Gaol, to the Centries, both during the Day and Night in enabling them to Keep regular Watches, I trust His Excellency the Governor in Council will kindly Sanction the immediate supply of a new Ghurry, by the Commissary of Ordnance, for the use of the Gaol on return of the old one to that Officer

Chief Magistrate and Superintendent of Police

Sir

I heard yesterday, with extreme regret that you have removed Deffadar Major Gholam Russool from Her Majesty's Gaol, as he is the only man amongst your Police Officers who appears to be liked by or to have any influence over Captain Campbell, in his strong prejudice against natives including all the other Native Officers and Peons of your Establishment, of whom Captain Campbell is constantly complaining under the idea that they are frequently talking about him and making use of language and expressions to his annoyance of which he has made many Complaints to Mr. Gibbs the Gaoler as well as to myself, and the only way that we have been able to appease Captain Campbell has been in the greatest degree, through the instrumentality of your Deffadar Major Gholam Russool, whose cool good temper and Judgment have at all times proved most efficacious and rendered to Captain Campbell the most perfect satisfaction.

At one time I was apprehensive owing to the prejudice before mentioned, that I should be obliged to place a European near to Captain Campbell, But as he seems to think kindly of Gholam Russool and is easily appeased by him, I feel myself necessitated to request that you will have the goodness to order him back to the Gaol, with directions to remain there until Captain Campbell's Case and person are finally disposed of.

Sir,

I have the honor to represent to you, that in consequence of the inexplicable prejudice of Captain John Campbell's mind against Natives generally, and in particular against some of the Native Prisoners in my Gaol as well as the native Police Officers on duty, I deem it advisable to request your assistance in procuring for me, two able bodied, good tempered Europeans of sober habits and strong courage, in case it should be necessary to call this last mentioned qualification into action on any sudden emergency, to keep Captain Campbell under proper restraint and from the perpetration of any injury to himself or any of the Natives under my care and supervaiance during

during the time he may remain in my Custody, as his propensity to anger and vengence can be much more effectually checked under the watchfulness of Europeans, than your Native Officers, who are afraid of him, and towards whom Captain Campbell seems at intervals to cherish an antipathy bordering on madness, which displays itself on all occasions when he hears them talking any where near the place of his confinement, under the erroneous and delusive supposition that they are conspiring together and speaking against him, in the grossest, most insulting, and offensive manner;

You are aware, that on an occasion of the kind, so recent as Sunday last, Captain Campbell in consequence of hearing Natives talking, rushed down the staircase near his apartments, seized on one of my Native Prisoners, one Coorniah, and gave him a severe thrashing, when your Native Police men, as I have heard from Captain and Mrs Campbell, all ran away in the fright, instead of adopting such measures as were necessary to pacify Captain Campbell and save Coorniah from the injury he sustained.

To depend on Native Officers so deficient in ordinary Courage is a matter that I cannot feel easy about, with such a powerful able bodied man as Captain Campbell, to keep under Control in his present state of mind, which I consider liable to take a dangerous Course in a moment when most probably least expected, although he has to all appearance behaved very well towards me and Mr Gibbons my Gaoler hitherto.

I have the honor to call your attention to the State of mind of Mr Daniel Frederick Gaudoin one of the Prisoners in the sick Division of the Gaol, which appears to me to be such as might Warrant his being placed in the Lunatic Asylum, if as I understand the fact to be, the life of his Wife is in constant danger from his violence when at liberty, although in Gaol he appears so listless apathetic and melancholy, always in a most dirty state and standing for hours and hours together looking quite senseless at a Hall a Door or a Window -

The poor Man has been detained in Custody for want of Sureties to Keep the Peace, from the 1st of February last to this present time, and really in his apparently melancholy state, it would be a blessing if he could be got out of the Gaol into a more comfortable Asylum.

Your Certificate therefore of his present state of health and mind will much oblige, to aid his Father in seeing what can be done for his relief at the close of the now approaching Sessions, with which Certificate you may probably be able to furnish me by this day week -

I have no doubt that it appeared there by mistake but as you made no objection then it was sent in by me to the Clerk of the Crown this year without any alteration and doubtless as his information was no better than my own and in the absence of any objection to the list published in the Fort St. George Gazette the mistake remains unrectified.

As the lists have been made up for the current year I fear that nothing can be done until the period arrives when the new lists will be made out. and as I have now given instructions to have your letter registered no doubt your name will appear correctly placed in due course

The Right Honorable the Governor in Council
doubts the efficiency of the Medical Certificate submitted regarding
Mr D. J. Gaudoin to establish unsoundness of mind within the
meaning of Act IV of 1849 and he observes that that individual has
not been imprisoned under the sentence of any Court (section VI)
but is merely detained in Custody on failure to comply with
a requisition for security. Under these circumstances the case
does not appear to fall within the provision of the Act, and
the Government therefore direct that the Chief Magistrate will
please himself in communication with the Advocate General
and

and ascertain from him the proper course to be adopted under the general regulations for removing Mr Gaudoin from the Jail to the Lunatic Asylum and confining him in that Institution until such time as he can be safely permitted to go at large -

Letter Rec'd 27th Novr 1850

No. 140

From Leonard Cooper Esqre
Sheriff of Madras

To Sir H. C. Montgomery Bart
Chief Secretary to Govt
Fort St. George

Sir,

In regard to the Custody of Captain Sohn Campbell, who was tried for Murder at the last Sessions, acquitted of the Charge on the ground of his unsoundness of mind and ordered by the Sentence of the Court to be kept in safe Custody in Her Majesty's Gaol, apart from the other Prisoners, I request You will have the goodness to bring to the Notice of Government, that I am in daily expectation of my power to keep Captain Campbell so apart from the other prisoners being frustrated from the want of sufficient and convenient accommodation on the Criminal side of the Gaol, to enable me, or my successor in Office, to carry that part of the Sentence into effect.

At present, Captain Campbell has the occupation of a comfortable room, in that part of the Gaol, which is invariably appropriated to the Custody of all Officers, Respectable Europeans, or East Indians, who are charged with Criminal offences, or Misdemeanors, and committed to the Sheriff's Custody for trial at each ensuing Sessions: as well as places in such Custody from want of Barracks to keep the Peace.

That part of the Gaol to which I allude, is an upper division, consisting of Five Rooms with a Verandah all round the East, North and West sides, accessible to all persons who may be confined in them for the causes aforesaid, so that should any persons be committed to the Sheriff's Custody for trial at the Assizes, or any subsequent Sessions, he will be immediately placed indifferently in carrying out the Sentence of the Court by keeping Captain Campbell apart from the other prisoners.

Besides the five rooms in question there are no others except a division below stairs on the North East angle of the Gaol, occupied by European Soldiers, Sailors and other persons of a low Class, mostly under Sentence of Transportation, other similar quarters to the North West of the Gaol, generally appropriated to Natives under Sentence, in a most unwholesome approximation to the Gaol

Gaol and Black Town Drains, from which a most disagreeable effluvia arises at night, the quarters of women under Sentence, and the wretched solitary Cells with Iron Gates and Windows.

In my opinion, not one of the last mentioned premises is a fit place for the keeping of Captain Campbell, and I am quite confident that the Government would not desire that he should be placed in any one of such miserable quarters under the peculiar circumstances of his case and state of mind of which the Government are fully aware.

I beg to forward herewith for Government's information Copy of a letter received by me under date the 14th Instant, from Captain Campbell Brother of the Indian Navy previous to his embarkation for Bombay, as evidence of the necessity that exists, for a strict and careful compliance with the Sentence of the Court as far as practicable. But if the Sheriff has no separate apartments for the keeping of persons in Captain Campbell's peculiar situation and state of mind I would respectfully ask what can be done, beyond applying to Government for their aid in the matter?

Should the Number of Criminals in a state of Lunacy increase as will the difficulties on the part of the Sheriff for the time being, to keep these persons at all times separate from the other prisoners, so that serious consequences may not ensue and I may as well as that there are even now in my Custody, three other persons said to be in a state of Lunacy, or of unsound mind, One a Mr. Gaudoin, whose name and Case have lately been brought to the notice of Government, and two Natives one a Parrain now committed for Murder and one Moothan Committed for want of Securities to keep the peace, the two former of quiet demeanour while in my Custody and the latter most outrageously violent, these two last named persons are kept in solitary Cells and Mr. Gaudoin in a Room under the Gaol Hospital having no other place in which to put him.

It has occurred to me that Captain Campbell might be kept more conveniently in the Fort than in any other place where a Guard in relief could be placed over him without any difficulty, and a saving of the expence to Government of the Special Constables effected. But I have heard that this cannot be done.

The only other Measure I can suggest is, that Government would be pleased to order their Superintending Engineer or other proper Officer to inspect Certain Campbell's quarters in the Gaol, and to report to Government whether they could not conveniently be so enclosed as to prevent Captain Campbell having access to

to the other Prisoners in that Division and of the said Officer shall report favorably to have the enclosures forthwith made

Sir,

With reference to a Summon that was served on me yesterday

yesterday, requiring my attendance at the Court House on the 15th Instant to serve on the Petty Jury, I beg to intimate for the purpose of being brought to the notice of the Honorable the Judges, that about 2 Years ago I was excused attendance on my representing my inability to act as a Juror in consequence of hardness of hearing and as I am still afflicted with this distressing complaint, I trust the Honorable the Judges will see fit to exempt me from service on the Jury.

Sir,
Your Very Obedient Servant

Sir,

I beg to acknowledge the receipt of your letter of the 7th Instant and will take care that the circumstance therein mentioned is brought to the notice of His Lordship the Chief Justice on Wednesday next the 15th Instant.

The Jury Rules of the Supreme Court preclude me at so short a time from the meeting of the Grand Jury taking upon myself the responsibility of summoning another in your place but I do not think there will be any objection to your attendance being excused after the 15th Instant.
