To

The Chief Secretary to Government

Sir

1 With reference to my letter to your address of the 13th Ultimo No 786 and the Order of Government thereon dated 16th November 1841 No 853 I am directed by the Judges of the Foujdaree Adalut to submit to be laid before the Government, the accompanying Revised Estimate for Repairing the Wards in the Jail at Masulipatam used as places of Solitary confinement forwarded by the Joint Criminal Judge who explains that in the former estimate, an error escaped his notice in having omitted to multiply the sum mentioned which was for one of the four buildings only".-

2- The Joint Criminal Judge states that "by the aid of Convict labor, he can execute the work proposed for Rupees 145-3-1 for each building (containing two Wards) or Rupees 580-12-4 for the four, for which he now requests the Court to obtain sanction".-

3- The Judges beg permission to forward this Revised estimate to the Board of Revenue for examination and check.-

Sir,

I am directed by the Court of Sudder Udalut to acknowledge the receipt of your letter of the 14th Ultimo requesting with reference to the Judgment recorded at page

Udalut to explain that from a subsequent communi-
=cation received from the Joint Criminal Judge of
Guntoor on the 26th Ultimo it would appear that there
were only 2 refractory prisoners in the Jail under his
charge, a number so small as to render the transfer of
any Convicts to Nellore inexpedient; and the Joint
Criminal Judge adds, that if the transfer of a further
number of Convicts from Guntoor is ordered (50 have
already been transferred to the Great Western Road) the
"Great Northern Road which at present is getting on
"rapidly (considering the means) would be put a complete
"stop to, there only now being 171 working prisoners in
"the Jail."-

2 Under these circumstances the Court of
Foujdaree Udalut solicit the further orders of Govern-
=ment for their guidance but at the same time I am
directed to suggest that if 50 additional convicts are
still required for employment on the Great Western
Road, the transfer of such number be effected from
the neighbouring Jail of Chittoor instead of from the Jail
at Nellore as originally proposed.-

No. 55

(No. 6)

To The Chief Secretary to Government

Sir,

1. I am directed by the Court of Foujdaree Adalut to transmit to you to be laid before the Right Honorable the Governor in Council the accompanying translations of Petitions presented by two prisoners in the Calicut Jail to the 2d Judge of the Provincial Court of Circuit in the Western Division on the occasion of his late Circuit, also copy of a letter dated the 24th of August 1841 from the Acting Criminal Judge of Calicut, and of translations of the proceedings which accompanied it, connected with those petitions -

2 The object of the Petitioners is to obtain a remission of part of the sentences passed upon them on the ground that they have each at distinct periods afforded information by which the intended escape from the Jail of certain Convicts was prevented - The 1st Petitioner

Petitioner Kelloo Nair further urges the weak state of his health, and the injury he has sustained from a cart wheel going over his foot while at work - and the 2d Petitioner K. Chukraman refers to his great usefulness in the Jail -

3 The Acting Criminal Judge in his letter of the 24th August last bears testimony to the "orderly conduct and usefulness in Jail" of both prisoners: one of them Kelloo Nair he states "being always appointed to attend the sick prisoners, and assist in the Jail Hospital where the Zillah Surgeon speaks very favorably of him, and the other Chakraman, as a Carpenter, having executed most of the chief wood work and repairs (some of them extensive) in the Jail and Court House, and having also been useful in teaching some of the younger prisoners the use of Carpenter's tools, and making them efficient Carpenters, so that a saving has accrued to Government from late works executed by convicts".-

4. It appears from the records of the Foujdaree Adalut that the Prisoner Kelloo Nair was tried at the 1st Sessions of 1829, with 8 other prisoners on a charge of gang robbery attended with aggravating circumstances, and was sentenced by the Court of Foujdaree Adalut to receive 100 lashes and to be imprisoned for 14 years

5. The Prisoner "Chuckraman" was also

tried

tried on a charge of gang robbery, and was sentenced by the
1st Judge presiding at the Calicut 1st Session of 1835
to receive 195 lashes and to be imprisoned 14 years.

6 On the night of the 5th November 1834
two convicts attempted to break out of the Hospital,
attached to the Calicut Jail, by opening up the
gutter "Kelloo Nair" being aware of their purposes im-
=mediately proceeded with another convict, whom he had
awakened, to the spot, seized and bound the offenders;
and delivered them to the sentry on guard; the conduct of
Kelloo Nair and his associate appear by the Order of
the Criminal Judge, Mr. Nelson, dated 6th November
1834 to have been deserving of reward; and an ad-
=ditional ½ seer of rice was ordered to be given them
daily for one month, as a mark of the Criminal Judge's
sense of their good behaviour; this indulgence appears
to have been unasked by the Prisoners, and not to
have been considered a boon.

7. The information afforded by "Chuckraman"
appears to have led to the discovery of an extensive
combination formed among the prisoners in the Jail to
effect their escape. The Acting Criminal Judge reports
that "about the year 1838 on the convicts returning
"one day from work, "Chuckraman" gave information
"that some of them agreed and intended to try and loosen

their fetters when in the Jail cells and on examination that
evening 10 or 15 Convicts were observed in their cells attempting
to loosen the rivets, and were thus prevented accomplishing
their object."

8 The Acting Criminal Judge appears to
consider the Petitioners to have a fair claim to a di-
=minution of the term of their sentences, and he therefore
begs to support the 2 Petitions presented to the Acting
2d Judge late on Circuit.

9. The Acting 2d Judge is of opinion that as
far as regards the grounds urged by the Petitioners them-
=selves, there is nothing of sufficient importance to entitle
them to consideration more particularly as one, ("Kelloo")
appeared to have been indulged with an extra portion
of grain on that ground by the then Criminal Judge
Mr. Nelson, whilst the ground urged by the Acting
Criminal Judge for a diminution of the term of their im-
=prisonment (viz the orderly conduct and usefulness in
Jail of the prisoners) would seem to be sufficiently provided
for by the Order of Government dated 4th March 1831,
Circular Order F.A. page 198.

10 The Judges entirely concur with the Acting
Criminal Judge as to the probable good effect of noticing
the conduct of the prisoners in question, and consider the
Petitioners to be deserving of the favorable consideration

of

of Government.—

11. Kello Nair not only gave information of the intended escape, but actually seized and secured, at a personal risk, the convicts who were making the attempt; and by the timely information afforded by Chuckrum the Combination of from 10 to 15 prisoners to effect their escape, was frustated.—

12. The Court accordingly beg leave to recommend the reduction of 2 years of the sentences recorded against each of the prisoners—

Gentlemen,

1. I am directed by the Court of Tonjdaree

Tonjdaree Cutcherry to acknowledge the receipt of your letter of the 15th ultimo with the copy of a letter and its enclosure from the Criminal Judge of Cuddapah therein referred to and to state in reply that the Judges of the Tonjdaree Cutcherry are not of opinion that the prosecutor has any claim on the Government for an indemnification of the loss sustained by him.-

2. In the case in question the money was actually in possession of the Prosecutor who was carrying it under a guard of Peons when an attack was made on them and the money carried off; the Government Officers did all that was necessary in ordinary circumstances for the security of the property, and it does not appear that their proceedings met with any objection from the prosecutor.-

3. Upon this view of the case the Court of Tonjdaree Cutcherry decline to submit your recommendation in favor of Lotam Setty Gopauloo to the Right Honorable the Governor in Council.-

2. On the 17th March 1842 the Government were pleased to desire that the Estimate for the repair of the Mangalore Jail which accompanied this Court's letter of the 5th March 1842 should be laid before the Board of Revenue in the Department of Public Works for examination and check.

No 590 To,

The Chief Secretary to Government
in the Judicial Department

Sir,

I am directed by the judges of the Foujdaree Udalut to transmit to you to be laid before the Right Honorable the Governor in Council the accompanying copy of a plan and estimate for building a wall in front of the Jail at Nellore.

2. The Court of Foujdaree Udalut beg to explain that the necessity for this expence has arisen from the circumstances of a Prisoner who was working in front of the Jail having made his escape, and as extra irons are only allowed for Convicts sentenced to labor it becomes necessary that the safety of those Prisoners who are required to work in and about the Jail and for whom no extra guard is allowed, should be ensured by their being worked in a yard enclosed by walls.

3 The Court therefore directs the Judge to

to submit an estimate of the cost of inclosing such a yard, and they now beg to recommend that the sanction of Government be granted for the same amounting to Rupees (293 8) two hundred and ninety three and annas eight.

4 In the event of sanction being granted by Government for the above, the Acting Criminal Judge proposes, that the Paper Manufactory which is more than ½ a Mile from the Jail, and therefore not available for the employment of Prisoners sentenced to labor inside the Jail, and also of necessity not constantly under the supervision of the Jailor be sold for Rupees 250, at which it has been valued, and that that sum be expended in building sheds (adapted for paper making) against the wall proposed to be erected.

5 The Criminal Judge reports, that by this arrangement, a suitable building in an eligible situation will be obtained, at a very small cost, for the purposes required by Government in their orders under date the 30th March 1842. published in the Fort St. George Gazette. the paper manufacture of paper will then be carried on immediately under the eye of the Judge and Jailor and employment available for Prisoners sentenced to labor inside the Jail

Jail, and suitable for both strong and weak Prisoners will be afforded.

6 As this proposition appears to the Judges of the Foujdaree Udalut to offer great advantages, they beg to solicit sanction for its being carried into effect.

2. Under these circumstances the Judges would suggest that Mr. Babington the 3d Judge of the Provincial Court of Circuit in the Centre Division

should be directed to proceed immediately from Chittoor, for the purpose of delivering the Gaols at Cuddalore and Chingleput, taking with him the requisite establishment from the Sudr Station where they can be conveniently spared during the adjournment of the Provincial Court.

4 Adverting however to the state of the Cuddalore Calendar and to the importance of some of the Cases committed for trial, the Judges would respectfully request that early provision be made for relieving Mr. Babington, as otherwise he will not be able to close the Cuddalore Sessions in sufficient time

Regulation IX of 1816, of appearing to answer to the Charge by Vakeel the Judges direct me to point out that the Regulation quoted does not apply to a Justice of the Peace, and in your capacity of Justice of the Peace it is not the province of the Court of Foujdaree Udalut to lay down rules for your guidance.—

3. If however it is your intention to apply the principle of the rule contained in the Regulation quoted above to the case under reference the Court of Foujdaree Udalut would record their opinion that it is competent to a magistate under Clause

2nd Section XV Regulation IX of 1816 to permit a person accused of a bailable offence or a misdemeanors to appear by Vakeel to answer to the Charge

I am directed by the Judges of the Foujdaree Udalut to transmit to you to be laid before the Right Honorable the Governor in Council, the accompanying Copy of a correspondence between the Provincial Court in the Centre Division and the authorities at Bellary, respecting the better ventilation of the Jail at that Station.

2. The Zillah Surgeon of Bellary in a letter dated the 27th October last brought to the notice of the acting Zillah Judge the deficiency of free ventilation and the insufficient space allotted for Prisoners in the Jail at that Station, and, stated that

that "the heat, closeness and impurity of the air in
"the cells had a most prejudicial effect on the health

"the general state of their Constitutions and thus
"rendering them obnoxious to all the evil effects of

of ventilation have been proposed one by the Civil Engi-

Sir,

I am directed by the Court of Poujdaree Udalut to acknowledge the receipt of your letter of the 3d Ultimo submitting a proposition from the Joint Magistrate of the District for the location of a Gang

of

№ 72

of 100 Convicts at Cumbum for the purpose of placing and keeping the Roads in and about that Station in repair.

2d. The expediency of repairing the roads at Cumbum is a question for the consideration of the Board of Revenue in the Department of Public Works and if the Government, and if it should be eventually determined that the work shall be performed by means of Convict labor it will then be for the Court of Poujdaree Udalut to report whether a Gang of Convicts can be located at Cumbum without detriment to any Public work in progress at Cuddapah.

3. At present the completion of the new Jail at Cuddapah occupies 8/ of the Convicts available for hard labor, and 101 Convicts are employed in repairing the Annicut.

4. A gang of the strength required by the Joint Magistrate would not therefore be immediately available, but whenever transferred from the Jail at Cuddapah it is provided by the Order of Government of the 9th June 1837 that over the general superintendence and control of such Gang shall also be

be vested in the Department of Public Works and accordingly the Magistrate should address himself to that Authority.

Sir,

1 The subject of Periodical reliefs of Peons detached from various zillahs as guards to Convicts employed in Road Gangs has lately been brought prominently to the notice of the Fouydaree Udalut and with reference to the orders of Government under date the 1st Augt. 1840 No. 18/206 sanctioning a periodical relief, I am directed by the Judges of the Fouydaree Udalut respectfully to solicit information from Government as to the probable duration of

No. 102

of the present system of working Prisoners on Road Gangs.—

2. It is observed that the late Prison Discipline Committee are stated by Mr. Secretary Grant × to have reported in the strongest manner against the system of sending Prisoners to road Gangs and to have recommended that an absolute and immediate stop should be put to it. The Judges of the Court of Fouydaree Udalut consequently consider that if it is the intention of Government to carry out the recommendations of the "Prison Committee" it would be far from desirable to make any rules for the relief of guards, as such a relief is objected to by nearly all those functionaries who have been called upon for their opinion on the grounds of its destroying the discipline in the Jail not less than the discipline amongst the "Road Guards" and entailing, if extensively pursued an additional expense on Government.

Sir,

1. I am directed by the Judges of the Court of Sudr & Foydaree Udalut to transmit in order to be laid before the Right Honorable the Governor in Council, certain Correspondence (as noted in the margen) between this Court and Mr. Taylor, 1st Judge of the Provincial Court in the Centre Division, with regard to his Decisions on several Criminal Cases at the late Sessions for Bellaree.

Vide Ro: of F 81 of 15th July 1842
Pro. Ad. of 10th Sept. with
Mr. Taylor's reply dated 13th Sept.

2. In begging the attention of Government to the accompanying Correspondence the Court of Sudr and Foydaree Udalut feel it incumbent on them to state that the necessity of referring Mr. Taylors conduct as a Circuit Judge for the Consideration of Government, in reference to his proceedings at Bellary had been most anxiously canvassed before the remarks of which he Complains were forwarded to him, and that they only refrained from adopting such a Course from a knowledge that his career as a Circuit Judge was rapidly drawing to a close, and from a hope that a strong but temperate remonstrance would be effectual in awakening greater attention to the performance of any future duties.

3. It will be observed that Mr. Taylor attributes the proceedings of this Court to "vindictiveness," and owing to the Judicial arrangements in prospect or in Contemplation alludes to the relative position held by himself and the Judges of the Foydaree Udalut. This appears to be language and sentiment such as the ordinary rules of Society forbid, and such as if permitted in Official Correspondence must destroy all subordination.

№ 102

4. The Court would willingly have offered Mr. Taylor an opportunity of recalling and apologizing for his letter of the 13th September but they felt that where such improper motives had been attributed to them, an act of leniency might be misconstrued. The present reference, altho' made with regret was, the Court Conceive, inevitable.

Gentlemen,

I am directed to acknowledge the receipt of your letter of the 28th Ultimo, and in reply to inform you that, under the authority vested in them by the Order of Government of the 4th August 1840 published in the Official Gazette of the 21st of that month page 588 the Judges of the Sudr Udalut sanction the Statement of disbursements

disbursements for bringing up the children of Convicts in the different Jails in the Northern Division for the 3rd Quarter of 1842 amounting to Rupees 65-9 (11¼) five, annas nine, and pice eleven and a quarter.

(Signed) A. L. Mathieson

No 1198 To

The First Judge late on Circuit in the
Centre Division.

Sir

1. I am directed by the Judges of the Court of Foujdaree Udalut to acknowledge the receipt of your letter dated the 7th Instant, requesting to be favored with the sentiments of the Foujdaree Udalut as to whether it was their intention that a Gold Bangle should be presented to the Surchesum Syed Modeen in addition to the pecuniary reward of Rs 100.

2. In recommending a Gold Bangle as a mark of distinction to Surchesum Syed Modeen, the Court of Foujdaree Udalut acted in accordance with the wishes

of

of the Joint Magistrate without intending that it should be considered as an addition to the pecuniary rewards of 400 Rs. The Court cannot order that a Gold bangle should be presented without first applying to Government, and it is not to be supposed that the Government would give its consent when the large reward of 400 Rupees has been guaranteed already.-

3. It was conjectured that something more permanent than money might be desired as a mark of distinction for the performance of valuable services, but this point is left to the decision of the Joint Magistrate who having consulted the wishes of Surchesum, will either deliver the reward in Rupees or deduct a portion for the purpose of fabricating a personal ornament.-

Sir,

1. Adverting to the minutes of Consultation under date the 19th May 1842 (No 203) and the letter from the Register of this Court of 25th July last respecting the number of 35 convicts to

to Cotacamand, I am directed by the Judges of the Court of Foujdaree Udalut to state that Captain Gunning the Joint Magistrate has applied to the Assistant Judge of Coimbatore for 19 Convicts to replace those who have been released &c.

2. There seems at the present moment considerable difficulty in complying with Captain Gunning's request and as from the Returns for the month of November last 159 Convicts are shewn to be under the Charge of the Joint Magistrate, 120 of whom are employed on the roads, the Court would beg to be informed as to the number of Prisoners that Government may think it desirable to keep in the Neilgherry hills.-

29th December 1842. (Signed) R. W. Chatfield
